

# BARREL BEDDING TOOL - GUNLINE 3/4" REPLACEMENT CUTTER PAK

[Gunsmith Tools & Supplies](#) > [Stock Work & Finishing](#) > [Stock Making Hand Tools](#) > [Barrel Channel Cutting Tools](#)

## Full Control Of Cutting Head At All Times With All Cuts

Perfect, chatter-free cut, shaves out excess wood, leaves barrel channel smooth and ready for barrel without gouging, rasping or final sanding. Cushioned-cutter design keeps hardened steel cutter discs at correct angle to remove wood without "digging in" regardless of amount of pressure. A favorite with pros.

# Safety Instructions for BARREL BEDDING TOOL GUNLINE 3/4" REPLACEMENT CUTTER PAK

## Introduction

Thank you for purchasing the BARREL BEDDING TOOL GUNLINE 3/4" REPLACEMENT CUTTER PAK. This guide provides essential safety instructions and usage guidelines to ensure safe operation and maintenance of the product. Please read this document carefully before using the tool.

## General Safety Guidelines

- Ensure the tool is used only for its intended purpose as described in the product specifications.
- Always wear appropriate personal protective equipment (PPE), including safety goggles and gloves, when using the tool.
- Keep the tool out of reach of children and vulnerable individuals.
- Inspect the tool before each use for any signs of damage or wear, and do not use if damaged.
- Store the tool in a dry and safe place when not in use to prevent accidents.

## Specific Safety Precautions for Use

- Use the tool in a wellventilated area to avoid inhaling wood dust.
- Maintain a firm grip on the tool while in use to prevent slips and loss of control.
- Avoid applying excessive pressure while cutting to prevent the tool from digging into the wood.
- Do not attempt to modify the tool or use nonapproved replacement parts.
- Keep hands and other body parts clear of the cutting area during operation.
- Ensure the workpiece is securely clamped or held in place before cutting.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure you have all necessary tools and equipment ready before starting.
- Read the manufacturer's instructions for any specific setup requirements.

### 2. Installation of Replacement Cutters:

- Turn off and unplug the tool before changing cutters.
- Remove the old cutter by loosening the retaining mechanism.
- Insert the new replacement cutter, ensuring it is seated correctly.
- Secure the cutter in place by tightening the retaining mechanism.

### 3. Using the Tool:

- Position the tool at the desired angle on the workpiece.
- Apply light pressure to start cutting, gradually increasing as needed.
- Move the tool smoothly along the barrel channel, maintaining control.
- Stop periodically to check the cut and avoid overcutting.

### 4. PostUse Care:

- Clean the tool after use to remove wood dust and debris.
- Store the tool and replacement cutters in their original packaging or a safe container.
- Regularly check and replace cutters as needed to maintain performance.

## **Disposal Instructions**

- Dispose of the tool and any damaged components in accordance with local regulations.
- Do not dispose of the tool in regular household waste. Check for local recycling programs for tools and metal components.
- Ensure that all replacement cutters are disposed of safely to prevent injury.

## **Contact Information for Further Support**

For any safety inquiries or product concerns, please reach out to the designated EU contact point for assistance.

Thank you for prioritizing safety while using the BARREL BEDDING TOOL GUNLINE 3/4" REPLACEMENT CUTTER PAK. Your adherence to these guidelines helps ensure a safe and effective experience.
