RIFLE POLYMER SPACER 100 STRAIGHT PRODUCTS Safety Instructions

Introduction

Thank you for choosing the RIFLE POLYMER SPACER from 100 STRAIGHT PRODUCTS. This product is designed to enhance the comfort and functionality of your rifle or shotgun. To ensure safe use and optimal performance, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the product is used only as intended.
- Regularly inspect the spacer for any signs of wear or damage before use.
- Keep the product out of reach of children and vulnerable individuals.
- Follow all local laws and regulations regarding firearm modifications and accessories.
- In the event of any product malfunction or accident, report it to the appropriate authorities.

Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before installing or adjusting the spacer.
- Use caution when handling tools or equipment during installation to avoid injury.
- Do not exceed the recommended thickness adjustments, as this may affect the firearm's performance.
- Be aware of the potential for sharp edges on the spacer; handle with care.
- If you are unsure about the installation process, seek guidance from a qualified professional.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and ensure you have a clean, welllit workspace.
- Verify that the firearm is completely unloaded and safe to handle.

2. Installation

- Identify the appropriate hole location on your rifle or shotgun stock.
- Align the slotted holes of the spacer with the desired hole location.
- Secure the spacer using the appropriate screws or fasteners, ensuring a snug fit.
- If using multiple spacers for length adjustment, stack them accordingly and secure each one.
- Doublecheck that the installation is secure before using the firearm.

3. Usage

- Adjust the length of pull as needed by adding or removing spacers.
- Ensure that the spacers do not interfere with the operation of the firearm.
- Regularly check the integrity of the installation and make adjustments as necessary.

Disposal Instructions

- Dispose of the spacer responsibly in accordance with local waste management regulations.
- Do not burn or incinerate the product, as it may release harmful substances.
- If the product is damaged or no longer needed, consider recycling options where available.

Contact Information for Further Support

For any inquiries regarding safety or product concerns, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your RIFLE POLYMER SPACER. Thank you for your attention to safety and responsible firearm handling.
