

SPEEDLOADER - HKS 586-A FITS .38/.357 S&W "L" FRAME, GP-100

[Shooting Accessories](#) > [Speedloaders & Accessories](#) > [Cylinder Speedloaders](#)

Compact, lightweight carrier provides an excellent combination of reloading speed, secure carry and dependability. Cartridges are held securely until you're ready, then release with just a twist of the knurled knob. Simple to load: turn the knob to the load position; set rounds in place; twist the knob to latch. Metal cam points move into place over the cartridge rims. To load the gun: guide the bullet noses into the cylinder, twist the knob and ammo instantly drops into place.

SPEEDLOADER HKS 586A User Safety Instructions

Introduction

Thank you for choosing the SPEEDLOADER HKS 586A designed for .38/.357 S&W "L" Frame and GP100. This product is engineered to enhance your reloading speed while ensuring secure carry and dependable performance. Please read this safety instruction guide carefully to ensure safe use and compliance with EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always handle the SPEEDLOADER with care, treating it as you would any firearm accessory.
- Ensure that the SPEEDLOADER is only used with compatible firearms, specifically .38/.357 S&W "L" Frame and GP100.
- Keep the SPEEDLOADER out of reach of children and unauthorized users.
- Regularly inspect the SPEEDLOADER for any signs of wear or damage before use.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure the SPEEDLOADER is empty before loading cartridges.
- Always point the firearm in a safe direction when loading or unloading.
- Do not attempt to modify the SPEEDLOADER in any way.
- Use only the specified cartridges for this SPEEDLOADER.
- Be aware of your surroundings and ensure that no one is within range when using the SPEEDLOADER.

Instructions for Installation and Usage

1. Loading the SPEEDLOADER:

- Turn the knurled knob to the load position.
- Set the cartridges in place securely.
- Twist the knob to latch the cartridges in position.

2. Loading the Firearm:

- Guide the bullet noses into the cylinder of the firearm.
- Twist the knob on the SPEEDLOADER to release the cartridges.
- Ensure that cartridges drop into place securely within the firearm.

3. Unloading the SPEEDLOADER:

- To unload, simply twist the knob to release the cartridges back into your hand or onto a safe surface.
- Ensure that the SPEEDLOADER is clear before storage.

Disposal Instructions

- Dispose of the SPEEDLOADER in accordance with local regulations.
- Do not dispose of the SPEEDLOADER in regular household waste.
- Check for any recycling options available in your area for plastic and metal components.

Contact Information for Further Support

For any inquiries regarding safety or product performance, please refer to the official HKS website or contact your local distributor.

Conclusion

Your safety is our priority. By following these guidelines, you can ensure the safe and effective use of the SPEEDLOADER HKS 586A. Thank you for your attention to these important safety instructions.
