Safety Instruction Guide for SEMI AUTO GRIP SCREWS HOGUE SLOTTED GRIP SCREWS

Introduction

Thank you for choosing the SEMI AUTO GRIP SCREWS HOGUE SLOTTED GRIP SCREWS. These replacement screws are designed to maintain the factory appearance of your firearm while providing a secure fit. This guide provides essential safety information and instructions to ensure safe and effective use of the product.

General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or replacing any parts.
- Keep the screws and any small parts out of reach of children to prevent choking hazards.
- Inspect the screws for any damage before use. Do not use damaged screws.
- Follow all local laws and regulations regarding firearm modifications and accessories.
- If you experience any issues or have concerns about the product, consult a qualified gunsmith.

Specific Safety Precautions for Use

- Use only the recommended tools for installation to avoid damaging the screws or the firearm.
- Ensure that the screws are securely tightened but do not overtighten, as this may strip the threads.
- Avoid using the screws in environments that may cause corrosion or damage, such as exposure to harsh chemicals or extreme weather conditions.
- Regularly check the screws for tightness and wear, especially after extensive use.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is completely unloaded and pointed in a safe direction.
- Gather the necessary tools, including a hex wrench suitable for the screws.

2. Removing Old Screws:

- Using the hex wrench, carefully remove the existing screws from the grip.
- Set the old screws aside in a safe location.

3. Installing New Screws:

- Align the new HOGUE slotted grip screws with the mounting holes on the grip.
- Insert the screws into the holes and handtighten them to avoid crossthreading.
- Using the hex wrench, tighten the screws securely, ensuring they are flush with the grip surface without overtightening.

4. Final Check:

- After installation, check that the screws are secure and the grip is firmly attached.
- Conduct a final safety check on the firearm to ensure it is functioning correctly.

Disposal Instructions

- Dispose of any old screws or packaging materials in accordance with local waste disposal regulations.
- Do not dispose of screws in a manner that may pose a safety hazard to others, such as leaving them in

open areas.

Contact Information for Further Support

For any inquiries or concerns regarding the SEMI AUTO GRIP SCREWS HOGUE SLOTTED GRIP SCREWS, please refer to the manufacturer's website or contact your local dealer for support.

Conclusion

By following these safety instructions and guidelines, you can ensure the safe and effective use of your SEMI AUTO GRIP SCREWS HOGUE SLOTTED GRIP SCREWS. Always prioritize safety and compliance with local laws when handling firearms and accessories. Thank you for choosing our product.
