

SEMI-AUTO PISTOL GRIPS - RU/FG fits Officers ACP

[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

Hand-Filling, Versatile Designs In Rubber & Wood

Hand-filling grips help absorb recoil by spreading the shock over a wider area of the hand. Finger groove models for semi-autos tighten the grip upward, into the triggerguard for better recoil control. All wood grips are cut from imported, select grades of hardwood. Molded rubber grips cushion recoil. Non-slip, pebble finish. 1911 Auto checkered grips are Double Diamond pattern.

SEMAUTO PISTOL GRIPS RU/FG Safety Instruction Guide

Introduction

Thank you for choosing the SEMAUTO PISTOL GRIPS RU/FG designed for the Officers ACP model. This guide provides essential safety instructions and guidelines to ensure the safe use and handling of your new grips. Please read this manual carefully before use and keep it for future reference.

General Safety Guidelines

- Always ensure that your firearm is unloaded before installing or handling the grips.
- Handle the grips with care to avoid any damage that could affect their performance.
- Be aware of your surroundings when using your firearm to prevent accidents.
- Store your firearm and grips in a secure location, out of reach of children and unauthorized users.
- Inspect the grips regularly for any signs of wear or damage. Replace them if necessary.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that the grip is compatible with your specific firearm model (Officers ACP).
- Use only the recommended installation tools and techniques to avoid damaging the grips or your firearm.
- If you experience difficulty during installation, seek assistance from a qualified gunsmith.
- Do not modify the grips in any way, as this may compromise their safety and functionality.
- If you are unsure about the proper use of the grips, consult the manufacturer's guidelines or contact a professional.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, including a screwdriver and any other recommended installation tools.

2. Installation:

- Remove the existing grips from your firearm by unscrewing them carefully.
- Align the SEMAUTO PISTOL GRIPS RU/FG with the grip frame of your firearm.
- Secure the grips in place using the screws provided, ensuring they are tightened evenly to avoid any misalignment.
- Check that the grips are firmly attached and do not move when pressure is applied.

3. Usage:

- Hold the firearm with a firm grip, ensuring your fingers are positioned correctly in the finger grooves.
- Practice proper shooting techniques to maximize recoil control and accuracy.
- Regularly check the grip for any looseness or wear, especially after extended use.

Disposal Instructions

- Dispose of any damaged or worn grips in accordance with local regulations.
- If the grips are made of rubber or wood, consider recycling them where facilities are available.

- Do not dispose of grips in regular household waste if they are still in usable condition; consider donating them to a local shooting club or organization.

Contact Information for Further Support

For any questions or concerns regarding your SEMIAUTO PISTOL GRIPS RU/FG, please refer to the manufacturer's contact information provided with your product. It is essential to have access to support for any issues that may arise.

Thank you for your attention to these safety instructions. Your safety and the safety of others is our priority. Enjoy using your new grips responsibly.
