

1911 SQUARE BOTTOM GRIPS - HOGUE 1911 AUTO PAU FERRO S/A GRIPS

[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

Additional Length Fits Pistols Equipped With Add-On Mag Wells

Extra-long grip panels, cut square at the bottom, fit flush and look great on guns equipped with add-on magazine wells. Does away with the unsightly gap left by standard length grip panels. Cut slightly fuller than factory grips for extra shooting comfort and recoil control. Functional, combat-style 18 lpi checkering provides additional no-slip grip.

Safety Instruction Guide for 1911 Square Bottom Grips

Introduction

Thank you for choosing the HOGUE 1911 Square Bottom Grips. This guide provides essential safety information to ensure the safe use and installation of your new grips. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the grips are compatible with your specific 1911 model (Government, Commander).
- Always handle firearms with care and follow all safety protocols.
- Inspect the grips for any damage before installation. Do not use damaged grips.
- Keep the grips and firearms out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU Safety Gate platform.

Specific Safety Precautions for Use

- Do not use the grips if you are not familiar with firearm safety practices.
- Ensure that the firearm is unloaded before installing or handling the grips.
- Use only the recommended tools for installation to avoid damaging the grips or firearm.
- Be aware of the additional recoil control offered by the grips; practice safely to become accustomed to the new feel.
- Avoid using the grips in extreme temperatures or conditions that may affect their performance.

Instructions for Installation and Usage

Installation Instructions

1. Prepare Your Workspace:

- Choose a clean, dry area to work.
- Gather the necessary tools: screwdriver and any other required installation tools.

2. Unload the Firearm:

- Ensure the firearm is completely unloaded before beginning the installation.

3. Remove Existing Grips:

- Use the screwdriver to carefully remove the screws holding the existing grips in place.
- Gently lift off the old grips and set them aside.

4. Install New Grips:

- Align the HOGUE grips with the firearm frame.
- Ensure that the grips fit flush and that there are no gaps.
- Secure the grips in place by tightening the screws. Do not overtighten.

5. Final Check:

- Inspect the installation to ensure everything is secure and properly aligned.

- Ensure that the grips do not interfere with the operation of the firearm.

Usage Instructions

- Familiarize yourself with the new grips by practicing in a safe environment.
- Always follow standard firearm safety rules when handling your firearm.
- Regularly inspect the grips for wear and tear, and replace them if necessary.

Disposal Instructions

- Dispose of any packaging materials in accordance with local recycling regulations.
- If the grips become damaged beyond repair, follow local guidelines for the disposal of wood products.

Contact Information for Further Support

For any questions or concerns regarding the HOGUE 1911 Square Bottom Grips, please refer to the manufacturer's contact information provided with your purchase.

Thank you for prioritizing safety and responsible firearm handling. Enjoy your new grips!
