

S-BR BIPOD SLING SWIVEL MOUNT - HARRIS S-BR BIPOD SLING SWIVEL MOUNT 6-9" BLACK

[Shooting Accessories](#) > [Bipods, Monopods & Accessories](#) > [Bipods](#)

Mounts to QD swivel studs on bolt action and single-shot rifles for ultimate field accuracy. Won't change zero; added weight steadies gun. Spring-loaded, telescoping legs adjust quickly, fold parallel to barrel for carrying. Series 1A2 bipods have solid base and do not swivel or rotate. Series S bipods rotate 45° for instant leveling on uneven ground. Buffer springs and adjustable tension on hinged base help eliminate tremor. All Models available in either Series. All Adapters fit either Series bipods. Not recommended for lever actions.

SBR BIPOD SLING SWIVEL MOUNT SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the SBR Bipod Sling Swivel Mount by Harris. This product is designed to enhance your shooting accuracy and stability while using boltaction and singleshoot rifles. Please read this safety instruction guide carefully to ensure safe and effective use of the bipod mount.

General Safety Guidelines

- Ensure that the bipod mount is compatible with your rifle before use.
- Regularly inspect the bipod for any signs of wear or damage.
- Always follow the manufacturer's instructions for installation and usage.
- Keep the bipod mount out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not use the bipod mount with leveraction rifles, as it is not recommended for this type of firearm.
- Ensure that the bipod is properly secured to the QD swivel studs before use to prevent accidental detachment.
- Adjust the legs of the bipod carefully to avoid pinching fingers or causing injury.
- Always check that the bipod is stable and secure before firing.
- Avoid using the bipod on unstable or uneven surfaces that may compromise stability.
- Be aware of your surroundings and ensure that no one is in the line of fire when using the bipod.

Instructions for Installation and Usage

1. Installation:

- Locate the QD swivel studs on your boltaction or singleshoot rifle.
- Align the bipod mount with the swivel studs and securely attach it.
- Ensure that the bipod is firmly locked in place before proceeding.

2. Adjusting the Bipod:

- To adjust the height, press the springloaded buttons on the legs and extend them to the desired height (6 to 9 inches).
- Ensure that both legs are adjusted to the same height for stability.
- Fold the legs parallel to the barrel for easy carrying when not in use.

3. Using the Bipod:

- Position your rifle on the bipod and ensure that it is stable.
- If using a Series S bipod, rotate the bipod to level your rifle on uneven ground.
- Maintain a firm grip on the rifle while aiming and shooting.

Disposal Instructions

- Dispose of the bipod mount in accordance with local regulations for electronic waste and metal products.
- Do not dispose of the bipod in regular household waste.

- Contact your local waste management authority for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the SBR Bipod Sling Swivel Mount, please refer to the manufacturer's website or customer service for assistance.

Thank you for prioritizing safety and compliance while using the SBR Bipod Sling Swivel Mount. Enjoy enhanced stability and accuracy in your shooting experience!
