# DAKA Lite Pouches Safety Instruction Guide

## Introduction

Thank you for choosing the DAKA Lite Pouches by Magpul. This guide provides essential safety instructions and general guidelines to ensure the safe and effective use of your DAKA Lite Pouch. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure that the pouch is used only for its intended purpose, which includes carrying nonfood items such as electronics and emergency equipment.
- Regularly inspect the pouch for any signs of wear or damage. Do not use the pouch if it is compromised.
- Keep the pouch away from sharp objects that could puncture or damage the material.
- Store the pouch in a cool, dry place away from direct sunlight to prevent material degradation.
- Be cautious when using the pouch in extreme weather conditions, as temperature fluctuations can affect its performance.

## Specific Safety Precautions for Use

- Avoid overloading the pouch. Adhere to the recommended weight limits to maintain structural integrity.
- When packing electronic devices, ensure they are adequately protected to prevent damage from impacts.
- For outdoor use, ensure the pouch is secured to prevent it from being lost or damaged during activities such as hiking or biking.
- If using the pouch for emergency equipment, regularly check that all items are present and functional.
- Keep the pouch out of reach of children unless supervised, as it may contain small parts or items that could pose a choking hazard.

## Instructions for Installation and Usage

### 1. Unpacking the Pouch:

- Carefully remove the DAKA Lite Pouch from its packaging.
- Inspect the pouch for any visible damage or defects before use.

### 2. Packing the Pouch:

- Open the zipper fully to access the interior.
- Place items inside, ensuring they are distributed evenly to avoid excessive strain on the seams.
- Close the zipper securely to protect the contents.

### 3. Carabiner Attachment:

- Use the provided carabiner attachment points to secure the pouch to your backpack or gear.
- Ensure the carabiner is properly fastened and that the pouch is stable during movement.

### 4. Cleaning and Maintenance:

- Clean the exterior of the pouch with a damp cloth. Avoid using harsh chemicals or abrasives.
- Allow the pouch to air dry completely before storing.

## **Disposal Instructions**

- Dispose of the DAKA Lite Pouch responsibly.
- If the pouch is no longer usable, consider recycling the materials if possible, in accordance with local recycling guidelines.
- Do not dispose of the pouch in regular household waste if it contains any hazardous materials.
