

# 308 CALIBER (0.308") CONTROLLED CHAOS LEAD-FREE HUNTING BULLETS - LEHIGH DEFENSE 308 CAL (0.308") 152GR CONTROLLED CHAOS LF BULLETS 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Once fluid is impacted, these bullets shed the front portion of the bullet into multiple petals that radiate outward away from the bullets initial trajectory path resulting in a massive energy spike. The bore diameter base of the bullet continues and penetrates deeply in a straight line. Both the temporary and permanent wound cavity created by this bullet separation is dramatic resulting in quick incapacitation. The solid base creates additional tissue damage and often results in full penetration of the animal. The Controlled Chaos doesn't expand or fragment when it impacts hard barriers like drywall, only when it impacts fluid, where it expands, fractures and does it's devastation. No other bullet on the market offers the accuracy and repeatable terminal performance of the Controlled Chaos.

## Attributes

- Name: [LEHIGH DEFENSE 308 CAL \(0.308"\) 152GR CONTROLLED CHAOS LF BULLETS 50/BOX](#)
- Manufacturer: [LEHIGH DEFENSE](#)
- Product no.: 430100230
- Mfr. No.: 05308152CUSP
- Ballistic Coefficient (G1): 0.333
- Brand Style: Controlled Chaos
- Bullet Style: Controlled Fracturing Hollow Point
- Caliber: 308 Caliber
- Diameter (Breech): 0.308
- Diameter (in): 0.308
- Grain: 152
- Sectional Density: 0.229
- Quantity: 50
- Delivery weight: 0.558kg
- Shipping height: 57mm
- Shipping width: 64mm
- Shipping length: 83mm
- UPC: 810025507374

## Item details

Made in USA

US export classification: 0A505.x

# **Safety Instruction Guide for 308 CALIBER (0.308") CONTROLLED CHAOS LEADFREE HUNTING BULLETS**

## **Introduction**

Thank you for choosing the 308 Caliber (0.308") Controlled Chaos LeadFree Hunting Bullets by Lehigh Defense. This guide provides important safety information and instructions for the proper use of this product. Please read all sections carefully to ensure safe handling and usage.

## **General Safety Guidelines**

- Always treat all ammunition as if it is loaded and ready to fire.
- Store bullets in a cool, dry place away from direct sunlight and moisture.
- Keep out of reach of children and unauthorized persons.
- Always use appropriate eye and ear protection when handling or firing ammunition.
- Do not use these bullets if they appear damaged or defective.
- Follow all local laws and regulations when purchasing, storing, and using ammunition.
- Regularly check for product recalls and updates through the EU's Safety Gate platform.

## **Specific Safety Precautions for Use**

- Ensure your firearm is compatible with 308 caliber ammunition before use.
- Do not exceed the recommended load specifications for your firearm.
- Avoid using these bullets in firearms not designed for controlled chaos or hollow point ammunition.
- Do not attempt to modify or alter the bullets in any way.
- Be aware of your surroundings and ensure a safe shooting environment.
- Always aim in a safe direction and be sure of your target and what lies beyond it.

## **Instructions for Installation and Usage**

### **1. Loading the Bullets:**

- Open the box carefully and inspect each bullet for any visible damage.
- Load bullets into the magazine according to your firearm's specifications.
- Ensure the bullets are seated properly and securely.

### **2. Firing the Bullets:**

- Always follow the manufacturer's instructions for your specific firearm.
- Make sure the firearm is pointed in a safe direction before loading.
- Engage the safety mechanism until you are ready to fire.
- Fire only when you are sure of your target and the area beyond it.

### **3. PostFiring Handling:**

- After firing, safely unload your firearm.
- Inspect the firearm for any signs of malfunction or damage.
- Store any unused bullets in their original packaging to maintain integrity.

## **Disposal Instructions**

- Dispose of any unused or damaged ammunition in accordance with local regulations.
- Do not dispose of bullets in regular household waste.
- Contact local authorities or waste disposal services for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding this product, please reach out to the designated EU contact point for assistance. Always refer to the latest safety information and guidelines provided by local authorities.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with the 308 Caliber Controlled Chaos LeadFree Hunting Bullets. Thank you for your attention to safety.
