

RMR SLIDE FOR GLOCK™ 20 GEN 3 SS NITRIDE - BROWNELLS RMR CUT SLIDE FOR GLOCK 20 GEN 3

[Handgun Parts](#) > [Slide Parts](#) > [Slides](#)

Integral Red Dot Sight Mounting Slot, Plus a Ton of Custom Features! The limited production Brownells Brown RMR Slide for Glock® 20 Gen3 pistols features a pre-cut slot for easy, secure, low-profile mounting of a Trijicon RMR or Holosun red dot sight. Up front, there are distinctive, cocking serrations that aid in manipulating the slide to check the chamber or clear a jam. And we'll admit it: the serrations just look cool, too. All RMR Slides also have standard Glock® factory front and rear sight dovetails for "iron" sights. To get proper co-witnessing with the RMR, you will need to also install suppressor-height iron sights. A Brownells RMR Slide is the ideal upgrade for your factory Glock® 20 Gen3 OR the perfect "top half" for a brand-new custom gun build. Fits Gen3 Glock® 20 pistols & clones Built-in Trijicon RMR mounting slot Also accepts Holosun HE508T, HS507C & HS407C red dot sights Factory front/rear iron sight cuts, too Machined from corrosion-resistant 17-4 stainless steel billet Each RMR Slide for Glock® starts life as a billet of 17-4 stainless steel that is machined to Glock® factory specifications inside, so it'll accept factory or aftermarket barrels and internal parts. Each slide is heat-treated to Rc 41-44 on the Rockwell C scale for added surface hardness and wear resistance. Brownells Gun Tech™ Note: Channel liner required for these slides. Channel liner is a press fit and requires a tool to install. We recommend #777-100-017. Includes patented optic cut technology pioneered by ZEV Technologies. Patent No. RE47335

Safety Instruction Guide for RMR Slide for Glock™ 20 Gen 3

Introduction

Thank you for choosing the RMR Slide for Glock™ 20 Gen 3. This product is designed to enhance your shooting experience while ensuring safety and compliance with EU regulations. This guide provides essential safety instructions, installation guidelines, and disposal information to help you use this product safely and effectively.

General Safety Guidelines

- Always treat the RMR Slide and your firearm with respect and care.
- Ensure you are familiar with the operation of your Glock™ 20 Gen 3 and its components before use.
- Only use the RMR Slide with compatible models as specified in the product description.
- Keep the product and all firearm components out of reach of children and unauthorized users.
- Inspect the RMR Slide and your firearm regularly for signs of wear or damage.
- Do not attempt to modify or alter the RMR Slide in any way.
- Use appropriate personal protective equipment (PPE) such as safety glasses when handling firearms.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure the firearm is unloaded before installing or removing the RMR Slide.
- Always check the chamber to confirm it is clear of ammunition before handling.
- Be mindful of your surroundings and ensure a safe environment when using the firearm.
- Use only manufacturer-approved red dot sights with the RMR Slide to avoid compatibility issues.
- Follow the manufacturer's instructions for mounting the red dot sight securely.
- When using suppressor-height iron sights, ensure they are installed correctly for proper cowitnessing.
- Avoid using the firearm in adverse weather conditions unless it is designed for such use.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and the chamber is clear.
- Gather necessary tools, including a channel liner installation tool (recommended #777100017).

2. Installation of RMR Slide:

- Remove the factory slide from your Glock™ 20 Gen 3 according to the manufacturer's instructions.
- Install the channel liner into the new RMR Slide using the appropriate tool.
- Align the RMR Slide with the frame of the Glock™ 20 Gen 3.
- Securely attach the RMR Slide to the frame using factory specifications.

3. Mounting the Red Dot Sight:

- Choose a compatible red dot sight (Trijicon RMR or Holosun HE508T, HS507C, HS407C).
- Follow the manufacturer's instructions for mounting the red dot sight onto the pre-cut slot of the RMR Slide.
- Ensure the sight is securely fastened and properly aligned.

4. Final Checks:

- After installation, perform a thorough inspection to ensure all components are secure.
- Test the functionality of the firearm in a safe environment before regular use.

Disposal Instructions

- Dispose of the RMR Slide and any associated components in accordance with local regulations.
- Do not dispose of any firearm parts in regular household waste.
- Contact local authorities or waste management facilities for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries or further assistance regarding the RMR Slide for Glock™ 20 Gen 3, please refer to the manufacturer's website or customer support channels.

Thank you for your attention to these safety instructions. Your safety is our priority, and we hope you enjoy your enhanced shooting experience with the RMR Slide.
