

# LEAP/08 30MM QUICK DETACH SCOPE MOUNTS - SCALARWORKS AR-15 30MM 1.93" LEAP/08 QUICK DETACH RING MOUNT BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

LEAP/08 State of the art 30mm scope mounts. Designed for shooters who want the lightest, stiffest, and easiest to use quick-detach scope mount possible. The LEAP/08 base incorporates different structural elements to maximize overall performance. A large diameter tubular section up front to resist torsion from side impacts, and a very wide I-beam bridge in the rear to resist recoil induced oscillations. Every Leap mount is CNC milled from 7075-T6 Aluminum billet, which has vastly superior mechanical properties to 6061-T6, and is used where ultimate strength and durability outweigh cost considerations. ViseRing™ Designed from the ground up to be lighter, lower-profile, and easier to use than traditional split rings. A low-profile design doesn't get in your way of viewing or manipulating your scope's adjustment turrets. A pair of tapered CNC machined screws lock into the base, bolstering structural rigidity. Wider than competing designs, providing more surface area to safely and securely hold your scope. A high-strength, multi-link hinge eliminates the uncertain and tedious setup required by split rings. LEAP mounts have no protruding levers, bolts, or knobs to rap your knuckles, or get caught on clothing, gear, and surroundings.

## Attributes

- Name: [SCALARWORKS AR-15 30MM 1.93" LEAP/08 QUICK DETACH RING MOUNT BLACK](#)
- Manufacturer: [SCALARWORKS](#)
- Product no.: 430100489
- Mfr. No.: SW0820
- Finish: Black
- Scope Tube Diameter: 30mm
- Style: Picatinny
- Delivery weight: 0.288kg
- Shipping height: 76mm
- Shipping width: 102mm
- Shipping length: 152mm
- UPC: 856481007423

# LEAP/08 30MM Quick Detach Scope Mount Safety Instructions

## Introduction

Thank you for choosing the LEAP/08 30MM Quick Detach Scope Mount. This product is designed for optimal performance and ease of use. Please read this safety instruction guide carefully to ensure safe operation and maintenance of the scope mount.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Regularly inspect the scope mount for any signs of wear or damage before use.
- Always ensure that the scope mount is securely attached before using your firearm.
- Follow all local laws and regulations regarding firearms and accessories.
- Keep the product out of reach of children and vulnerable individuals.

## Specific Safety Precautions for Use

- Do not exceed the manufacturer's weight limit for the scope mount.
- Avoid using the scope mount in extreme weather conditions, which may affect performance.
- Be cautious of sharp edges when handling the scope mount.
- Ensure that all screws and fittings are tightened to the manufacturer's specifications before use.
- If you notice any unusual movement or instability while using the scope mount, discontinue use immediately and inspect for issues.

## Instructions for Installation and Usage

### 1. Installation

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Select the appropriate Picatinny rail section on your firearm.
- Align the LEAP/08 scope mount with the Picatinny rail.
- Use the provided tapered CNC machined screws to secure the mount. Ensure that the screws are tightened evenly to avoid misalignment.
- Doublecheck that the mount is securely attached before proceeding.

### 2. Usage

- Once the scope is mounted, adjust the scope to your preferred settings.
- Always check the scope alignment and ensure it is functioning correctly before taking aim.
- Store the firearm and scope mount in a safe, dry place when not in use.

## Disposal Instructions

- Dispose of the scope mount in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, take it to a designated recycling facility if available.
- Remove any batteries or electronic components before disposal, following local electronic waste guidelines.

## **Contact Information for Further Support**

For any inquiries regarding safety, usage, or product issues, please contact the manufacturer or visit their official website for support.

## **Conclusion**

By following these safety instructions, you can ensure the safe and effective use of the LEAP/08 30MM Quick Detach Scope Mount. Always prioritize safety and remain informed about the best practices for maintaining your equipment. Thank you for choosing our product, and we wish you a safe and enjoyable shooting experience.
