

# LEAP/09 34MM QUICK DETACH SCOPE MOUNTS - SCALARWORKS AR-15 1.57" 34MM LEAP/09 QD RING MOUNT BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

LEAP/09 State of the art 34mm scope mounts. Designed for shooters who want the lightest, stiffest, and easiest to use quick-detach scope mount possible. The LEAP/09 base incorporates different structural elements to maximize overall performance. A large diameter tubular section up front to resist torsion from side impacts, and a very wide I-beam bridge in the rear to resist recoil induced oscillations. Every Leap mount is CNC milled from 7075-T6 Aluminum billet, which has vastly superior mechanical properties to 6061-T6, and is used where ultimate strength and durability outweigh cost considerations. ViseRing™ Designed from the ground up to be lighter, lower-profile, and easier to use than traditional split rings. A low-profile design doesn't get in your way of viewing or manipulating your scope's adjustment turrets. A pair of tapered CNC machined screws lock into the base, bolstering structural rigidity. Wider than competing designs, providing more surface area to safely and securely hold your scope. A high-strength, multi-link hinge eliminates the uncertain and tedious setup required by split rings. LEAP mounts have no protruding levers, bolts, or knobs to rap your knuckles, or get caught on clothing, gear, and surroundings.

## Attributes

- Name: [SCALARWORKS AR-15 1.57" 34MM LEAP/09 QD RING MOUNT BLACK](#)
- Manufacturer: [SCALARWORKS](#)
- Product no.: 430100490
- Mfr. No.: SW0910
- Finish: Black
- Scope Tube Diameter: 34mm
- Style: Picatinny
- Delivery weight: 0.279kg
- Shipping height: 76mm
- Shipping width: 102mm
- Shipping length: 152mm
- UPC: 856481007454

# Safety Instruction Guide for LEAP/09 34MM Quick Detach Scope Mounts

## Introduction

Thank you for choosing the LEAP/09 34MM Quick Detach Scope Mounts by Scalarworks. This product is designed for optimal performance and ease of use in various shooting applications. To ensure your safety and the longevity of your equipment, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure safe use of the LEAP/09 scope mounts by adhering to the following guidelines:
  - Always inspect the product for any signs of damage or wear before use.
  - Keep the scope mounts out of reach of children and vulnerable individuals.
  - Use the product only for its intended purpose as specified in this guide.
  - Be aware of your surroundings and ensure that the area is safe for shooting activities.
  - Report any unsafe conditions or accidents to local authorities.

## Specific Safety Precautions for Use

- To avoid potential hazards, please observe the following precautions:
  - Do not exceed the recommended torque specifications when installing the scope mount.
  - Ensure that the scope is securely mounted and that all screws are tightened properly.
  - Avoid using the scope mount in extreme weather conditions unless specified.
  - Regularly check for any loose components or signs of wear during use.
  - Do not modify the scope mount in any way, as this may compromise safety and performance.

## Instructions for Installation and Usage

- Follow these steps to properly install and use the LEAP/09 scope mounts:

### 1. Preparation:

- Gather all necessary tools, including a torque wrench and appropriate screwdrivers.
- Ensure the mounting surface is clean and free of debris.

### 2. Installation:

- Place the scope mount onto the Picatinny rail of your firearm.
- Align the mount with the desired position for optimal eye relief.
- Insert the tapered CNC machined screws into the mount base.
- Use a torque wrench to tighten the screws to the manufacturer's recommended specifications.
- Doublecheck that the mount is securely attached and does not move.

### 3. Usage:

- Once installed, check the alignment of your scope through the mount.
- Make any necessary adjustments to ensure proper sight alignment.
- Always handle your firearm responsibly and in accordance with local laws.

## Disposal Instructions

- When disposing of the LEAP/09 scope mounts, please follow these guidelines:
  - Do not dispose of the product in regular household waste.
  - Check local regulations for proper disposal methods of aluminum and other materials.
  - If the product is damaged or no longer usable, consider recycling the materials where possible.

## Contact Information for Further Support

- For any safety inquiries or further support, please refer to the manufacturer's contact information included with your product packaging.

## Conclusion

By following these safety instructions, you can ensure a safe and effective experience with your LEAP/09 34MM Quick Detach Scope Mounts. Always prioritize safety and responsibility in all shooting activities. Thank you for your attention to these guidelines.
