

SUBMACHINE GUN MAGAZINE INSERTS - SPIRITUS SYSTEMS

SUBMACHINE GUN MAGAZINE INSERT, QUAD MPX/MP7/SCORPION

[Home](#)

WARNING: This insert is ONLY compatible with the Micro Fight MK4 and MK3 Chassis. It is not compatible with the MK2 or MK1 Chassis, nor plate carrier kangaroo pouches. Some people say that Submachine Guns are a thing of the past. Spiritus Systems say to heck with that. It doesn't matter if you are storming the Iranian Embassy in 1980 or raiding a meth lab in the Bayou today, the Spiritus Systems Submachine gun inserts have you covered. Submachine Gun Magazine Inserts enable you to carry 4 magazines in either the front or rear pocket of your Micro Fight Chest Rig, or you can carry 8 magazines by placing a Submachine Gun insert into both the front and rear pockets of your Micro Fight Chest Rig Chassis. To accommodate the largest amount of magazines, we have built two different types of SMG Magazine Inserts. It is impossible for us to test every submachine gun magazine that is on the market today. That being said, the inserts are elastic and if your magazine is similar in size to the ones listed, it will probably work. Some images are shown with optional accessories, sold separately.

Safety Instruction Guide for SUBMACHINE GUN MAGAZINE INSERTS

Introduction

Thank you for choosing the Spiritus Systems Submachine Gun Magazine Inserts. This product is designed to enhance your Micro Fight Chest Rig experience by allowing you to carry multiple magazines securely. Please read this safety instruction guide carefully to ensure safe and effective use of the product in compliance with EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the insert is compatible only with the Micro Fight MK4 and MK3 Chassis. It is NOT compatible with MK2 or MK1 Chassis, nor with plate carrier kangaroo pouches.
- Always inspect the product for any signs of damage or wear before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Avoid exposing the product to extreme temperatures or harsh chemicals, which may compromise its integrity.
- Report any unsafe product experiences or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that magazines used with the insert are similar in size to those listed for compatibility.
- The inserts are elastic; however, avoid overstretching to prevent damage.
- When carrying magazines, ensure they are securely placed within the insert to prevent them from falling out during movement.
- Do not overload the insert beyond its intended capacity, which is a maximum of 8 magazines when using both front and rear pockets.
- Use the product only for its intended purpose. Misuse may lead to accidents or injuries.

Instructions for Installation and Usage

1. Installation:

- Identify the front and rear pockets of your Micro Fight Chest Rig.
- Insert the Submachine Gun Magazine Insert into either the front or rear pocket, ensuring it fits snugly.
- For maximum magazine capacity, place a second insert into the opposite pocket.

2. Usage:

- Load magazines into the insert, ensuring they are oriented correctly and securely fastened.
- When accessing magazines, do so with care to avoid dropping them or causing injury.
- Always check that the magazines are secure before engaging in any activity that may involve movement.

Disposal Instructions

- Dispose of the product in accordance with local waste disposal regulations.
- Do not incinerate or expose the product to open flames, as this may release harmful substances.
- If the product is no longer usable, consider recycling options if available.

Contact Information for Further Support

For any inquiries regarding safety or product information, please refer to the relevant contact points provided by the manufacturer or your retailer.

Thank you for your attention to these safety guidelines. Your safety is our priority. Enjoy using your Spiritus Systems Submachine Gun Magazine Inserts responsibly!
