

MOLLE BACK PANEL LITE - SPIRITUS SYSTEMS MOLLE BACK PANEL LITE , BLACK

[Home](#)

The MOLLE back panel was designed to give LV/119 O V E R T users the ability to quickly swap out multiple rear bag loadout configurations based on the needs of a mission set. With its semi-rigid MOLLE frame, multiple anchor points, and quick zip installation, the MOLLE Back Panel is just as robust as a permanent sewn-in system while providing a near limitless set of pouch combination options. The MOLLE Back Panel features six columns of MOLLE, which provides ample real estate for attaching water bladders, wide pouches, or multiple small pouches side-by-side. End users can now keep one plate carrier for all missions and simply swap out back panels that have been preloaded with specific equipment and MOLLE storage solutions. Swapping between MOLLE Back Panels takes less than a minute and requires no tools. This allows operators to store additional back panels in vehicles or ready rooms for rapid deployment when needed. The MOLLE Back Panel features 6 slots across, and 12 slots down.

MOLLE Back Panel Lite Safety Instruction Guide

Introduction

Thank you for choosing the MOLLE Back Panel Lite by Spiritus Systems. This product is designed to enhance your tactical loadout capabilities while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use, install, and dispose of your MOLLE Back Panel Lite safely.

General Safety Guidelines

- Ensure that the MOLLE Back Panel Lite is used only for its intended purpose.
- Regularly inspect the product for wear and tear. Do not use if damaged.
- Keep the product away from fire and extreme heat sources.
- Store the MOLLE Back Panel Lite in a cool, dry place when not in use.
- Be aware of your surroundings while using the MOLLE Back Panel Lite to avoid accidents.
- Follow all local laws and regulations regarding the use of tactical gear.

Specific Safety Precautions for Use

- **Age Restrictions:** This product is intended for adult users. Keep out of reach of children.
- **Attachment Safety:** Ensure that all pouches and equipment are securely attached to the MOLLE system to prevent accidental detachment during use.
- **Weight Distribution:** Be mindful of weight distribution when loading pouches to maintain balance and prevent strain.
- **Quick Release Mechanism:** Familiarize yourself with the quick zip installation and removal process to ensure safe and efficient swapping of back panels.
- **Training:** It is recommended to undergo training on the proper use of tactical gear to maximize safety and effectiveness.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary equipment and ensure the MOLLE Back Panel Lite is clean and free from debris.
- Review the loadout configuration you plan to use.

2. Installation:

- Align the MOLLE Back Panel Lite with the attachment points on your plate carrier.
- Slide the panel into place, ensuring that the anchor points are secure.
- Use the quick zip installation feature to lock the panel in place.

3. Loading Pouches:

- Attach pouches to the MOLLE Back Panel Lite by threading the straps through the MOLLE webbing.
- Ensure that all pouches are secured and check for stability.

4. Swapping Panels:

- To swap the MOLLE Back Panel Lite, unzip the panel from the plate carrier.
- Repeat the installation steps with the new panel, ensuring it is securely attached.

5. PostUse Care:

- After use, inspect the MOLLE Back Panel Lite for any signs of damage.
- Clean the panel according to the manufacturer's recommendations.

Disposal Instructions

- Dispose of the MOLLE Back Panel Lite in accordance with local waste management regulations.
- If the product is damaged or no longer usable, consider recycling materials where possible.
- Do not burn the product as it may release harmful substances.

Contact Information for Further Support

For any safety inquiries or concerns regarding the MOLLE Back Panel Lite, please contact the manufacturer directly through their official channels. Always ensure that you have the product details available when seeking assistance.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your MOLLE Back Panel Lite. Thank you for your attention to safety!
