

3 LOOP POUCH INSERT - SPIRITUS SYSTEMS 3 LOOP POUCH INSERT

[Home](#)

The Spiritus Systems Pouch Insert Suite is designed to optimize your equipment through organization and increase performance by improving function. The inserts were designed to be modular, allowing you to mix and match them to your specific needs. The 3 Loop Pouch Insert is a simple yet effective design that allows you to carry an array of equipment in a secure and organized fashion. This insert is designed to be paired with Spiritus Systems 4 Loop Pouch Insert to completely organize your equipment. Spiritus Systems utilized a larger footprint in order to give the insert stability and keep it in place even in the most non-permissive environments. While most Velcro placards on the market today are flimsy and unreliable, our insert suite is designed to stay in place exactly where you attach it. Simply attach the Velcro Hard Loop Insert into your pouch or onto your Soft Loop lined accessory. This insert features three elastic loops that are capable of holding 40mm grenades, medical equipment or miscellaneous items. Compatible with all Spiritus Systems Pouches. Comes in Jet Black. Some images shown with optional accessories, sold separately.

Safety Instruction Guide for the 3 Loop Pouch Insert by Spiritus Systems

Introduction

Thank you for choosing the 3 Loop Pouch Insert from Spiritus Systems. This product is designed to enhance the organization and performance of your equipment. To ensure your safety and the longevity of the product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure that the product is used as intended and in accordance with the manufacturer's instructions.
- Regularly inspect the pouch insert for any signs of wear or damage before use.
- Keep the product out of reach of children and vulnerable individuals to prevent any potential misuse or accidents.
- Report any unsafe conditions or incidents involving this product to the appropriate authorities.
- Stay informed about any recalls or safety updates regarding this product through official channels.

Specific Safety Precautions for Use

- Do not overload the elastic loops beyond their intended capacity, which is designed to hold items such as 40mm grenades or medical equipment.
- Ensure that the Velcro Hard Loop Insert is securely attached to the pouch or accessory before use to prevent accidental detachment.
- Avoid using the pouch insert in environments where it may be exposed to extreme temperatures or harsh chemicals.
- If the pouch insert becomes damaged or shows signs of deterioration, discontinue use immediately and contact the manufacturer for guidance.

Instructions for Installation and Usage

1. Installation:

- Open your pouch or Soft Loop lined accessory.
- Take the Velcro Hard Loop Insert and align it with the interior of the pouch.
- Press firmly to ensure that the Velcro adheres securely, ensuring that it is properly attached.

2. Usage:

- Place equipment, such as 40mm grenades or medical supplies, into the three elastic loops provided.
- Ensure that items are securely held in place and do not exceed the capacity of the loops.
- When not in use, store the pouch insert in a dry and safe location.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding textile and plastic waste.
- If the product is damaged beyond repair, consider recycling materials where possible.
