

# 4 LOOP POUCH INSERT - SPIRITUS SYSTEMS 4 LOOP POUCH INSERT

[Home](#)

The Spiritus Systems Pouch Insert Suite is designed to optimize your equipment through organization and increase performance by improving function. The inserts were designed to be modular, allowing you to mix and match them to your specific needs. The 4 Loop Pouch Insert is a simple yet effective design that allows you to carry an array of equipment in a secure and organized fashion. Designed to be paired with Spiritus Systems 3 Loop Pouch Insert to completely organize your equipment. We utilized a larger footprint in order to give the insert stability and keep it in place even in the most non-permissive environments. While most Velcro placards on the market today are flimsy and unreliable, our insert suite is designed to stay in place exactly where you attach it. Simply attach the Velcro Hard Loop Insert into your pouch or onto your Soft Loop lined accessory. This insert features four elastic loops that are capable of holding 40mm grenades, medical equipment or miscellaneous items. Compatible with all Spiritus Systems Pouches. Available in Jet Black. Some images shown with optional accessories, sold separately.

# Safety Instruction Guide for 4 Loop Pouch Insert

## Introduction

Thank you for choosing the 4 Loop Pouch Insert by Spiritus Systems. This product is designed to enhance the organization and performance of your equipment. To ensure safe use and maximize the benefits of your pouch insert, please carefully read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure that the pouch insert is compatible with your existing Spiritus Systems pouches.
- Regularly inspect the pouch insert for any signs of wear or damage before each use.
- Use the pouch insert only for its intended purpose, as specified in this guide.
- Keep the pouch insert out of reach of children and vulnerable individuals to prevent misuse.
- Report any unsafe conditions or incidents to the relevant authorities.

## Specific Safety Precautions for Use

### • Hazard Identification:

- Potential hazards include improper attachment, overloading the loops, and using the insert in unsuitable environments.

### • Avoiding Hazards:

- Ensure proper attachment to prevent the insert from detaching during use.
- Do not exceed the recommended load capacity of the elastic loops.
- Avoid using the pouch insert in environments where it may be exposed to extreme temperatures or harsh chemicals.

### • AgeSpecific Warnings:

- This product is not intended for use by children. Ensure that it is stored safely away from them.

## Instructions for Installation and Usage

### 1. Installation:

- Open your Spiritus Systems pouch.
- Take the Velcro Hard Loop Insert and align it with the Velcro surface inside the pouch.
- Press firmly to attach the insert securely to the Velcro surface.

### 2. Loading the Pouch Insert:

- Insert items into the four elastic loops. Suitable items include 40mm grenades, medical equipment, or other miscellaneous items.
- Ensure that the items are securely held and do not exceed the elastic loop capacity.

### 3. Usage:

- Carry the pouch insert in a manner that keeps it secure and stable.
- Regularly check the attachment and load during use to ensure safety and performance.

## **Disposal Instructions**

- Dispose of the pouch insert responsibly and in accordance with local regulations.
- If the pouch insert is damaged or no longer usable, do not attempt to repair it. Instead, dispose of it in a way that prevents environmental harm.

## **Contact Information for Further Support**

For any safety inquiries or assistance regarding the 4 Loop Pouch Insert, please contact the manufacturer directly through their official communication channels.

Thank you for following these safety instructions. Your adherence to these guidelines will help ensure safe and effective use of your 4 Loop Pouch Insert.
