

CHEMLIGHT/AA BATTERY POUCH INSERT - SPIRITUS SYSTEMS

CHEMLIGHT/AA BATTERY POUCH INSERT

[Home](#)

The Spiritus Systems Pouch Insert Suite is designed to optimize your equipment through organization and increase performance by improving function. The inserts were designed to be modular, allowing you to mix and match them to your specific needs. The ChemLight/AA Battery Pouch Insert is a simple yet effective design that allows you to carry ChemLights or AA batteries in a secure and organized manner. Spiritus Systems utilized a larger footprint in order to give the insert stability and keep it in place even in the most non-permissive environments. While most Velcro placards on the market today are flimsy and unreliable, Their insert suite is designed to stay in place exactly where you attach it. Simply attach the Velcro Hard Loop Insert into your pouch or onto your Soft Loop lined accessory. Holds six ChemLights or six AA batteries. Compatible with all Spiritus Systems Pouches. Available in Jet Black. Some images shown with optional accessories, sold separately.

CHEMLIGHT/AA Battery Pouch Insert Safety Instructions

Introduction

Thank you for choosing the CHEMLIGHT/AA Battery Pouch Insert from Spiritus Systems. This product is designed to help you organize and carry ChemLights or AA batteries securely. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Regularly inspect the pouch insert for any signs of wear or damage before each use.
- Keep the pouch insert out of reach of children to prevent accidental use or injury.
- Avoid exposing the pouch insert to extreme temperatures, moisture, or direct sunlight, as this may affect its performance.
- Do not overload the pouch insert beyond its capacity, as this may compromise its structural integrity.

Specific Safety Precautions for Use

- When inserting ChemLights or AA batteries, ensure they are placed securely to prevent movement during use.
- Always check that the Velcro Hard Loop Insert is firmly attached to the pouch or accessory before use.
- If you notice any issues with the Velcro attachment, discontinue use and contact the manufacturer for support.
- Avoid using the pouch insert in environments where it may come into contact with hazardous materials or substances.

Instructions for Installation and Usage

1. Installation:

- Select the appropriate pouch or accessory compatible with the CHEMLIGHT/AA Battery Pouch Insert.
- Align the Velcro Hard Loop Insert with the Soft Loop lining of the pouch or accessory.
- Press firmly to ensure a secure attachment.

2. Usage:

- Open the pouch and insert up to six ChemLights or six AA batteries.
- Ensure that the items are positioned securely and do not exceed the recommended capacity.
- Close the pouch securely to keep contents organized and protected.
- When not in use, store the pouch insert in a cool, dry place away from direct sunlight.

Disposal Instructions

- Dispose of the CHEMLIGHT/AA Battery Pouch Insert in accordance with local waste management regulations.
- If the pouch insert is damaged beyond repair, consider recycling materials where applicable.
- Do not dispose of the pouch insert in fire, as this may cause harmful emissions.

Contact Information for Further Support

For any safety inquiries or support regarding the CHEMLIGHT/AA Battery Pouch Insert, please reach out to the manufacturer directly.

Thank you for your attention to these safety guidelines. Your safety is our priority.
