

FANNY SACK POUCH MK3 - SPIRITUS SYSTEMS FANNY SACK POUCH MK3, RANGER GREEN

[Shooting Accessories](#) > [Duty Gear](#) > [Pouches](#)

The "Fanny SACK" bridges the gap between our popular Sub Abdominal Carry Kit and every day carry. Wear it for a full mission profile, or stash your carry gun in it while you're out on the long board. It was designed to make critical equipment easy to access from both sides or when in a confined space like a vehicle. The Fanny SACK can also be worn on the lower back and out of the way but quickly slid around the waist when needed. The pouch features a "half zip" design, which means that your equipment will not easily fall out of the pouch even if the zipper is left unsecured. The front of the pouch features a small zippered stash pocket that is perfect for easy access to small items. The bottom of the pouch features two elastic loops that can be adjusted to hold a tourniquet or other equipment that you may need to rapidly deploy. If bottom carry doesn't fit your mission needs, you can easily remove and reinstall the loops as necessary. Each side has a webbing loop for attaching equipment such as gloves, carabiners or chem lights. The inside features soft loop Velcro on both sides. This makes the pouch very dynamic, giving you the ability to use our Velcro Insert Suite to fit your requirements. It also features two slide-locks that make it easy to adjust the tension of the elastic loops hanging below, as well as two internal tie-down loops for securing sensitive equipment. The two grommet holes on the bottom aid with drainage of the pouch, if submersion occurs. The Fanny SACK is designed to be worn around your waist. Some images shown with optional accessories, sold separately.

Fanny Sack Pouch MK3 Safety Instructions

Introduction

Thank you for choosing the Fanny Sack Pouch MK3 by Spiritus Systems. This product is designed to enhance your everyday carry experience while ensuring the safety and accessibility of your essential equipment. Please read this safety instruction guide carefully to understand how to use the pouch safely and effectively.

General Safety Guidelines

- Ensure the pouch is used only for its intended purpose as described in the product text.
- Always inspect the pouch for any signs of damage or wear before each use.
- Keep the pouch and its contents away from children and vulnerable individuals.
- Be aware of your surroundings when using the pouch, especially in crowded or confined spaces.
- Do not overload the pouch beyond its intended capacity to avoid strain or damage.
- If you experience any issues with the pouch, cease use immediately and seek assistance.

Specific Safety Precautions for Use

- **Zipper Security:** Always ensure that the zipper is securely closed when carrying items to prevent accidental loss.
- **Elastic Loops:** Adjust elastic loops carefully to avoid pinching skin or causing discomfort.
- **Weight Distribution:** When wearing the pouch, distribute the weight evenly around your waist to maintain balance and comfort.
- **Sensitive Equipment:** Use the internal tiedown loops to secure sensitive equipment and prevent movement during use.
- **Drainage Holes:** Be mindful of the drainage holes at the bottom of the pouch. Ensure they are not blocked to allow for proper drainage if the pouch becomes wet.

Instructions for Installation and Usage

1. Wearing the Pouch:

- Adjust the waist strap to fit snugly around your waist.
- Slide the pouch to the desired position (front, side, or back) for easy access.

2. Accessing Equipment:

- Use the "half zip" design to access your equipment easily from either side.
- For small items, utilize the zippered stash pocket on the front for quick access.

3. Adjusting Elastic Loops:

- If using the bottom carry option, adjust the elastic loops to securely hold items such as a tourniquet.
- If bottom carry is not suitable, remove and reinstall the loops as needed.

4. Using Velcro Inserts:

- Take advantage of the soft loop Velcro on both sides of the pouch to customize the interior with Velcro Inserts as per your needs.

5. Maintenance:

- Clean the pouch regularly with a damp cloth to remove dirt and debris.

- Store the pouch in a cool, dry place when not in use to prolong its lifespan.

Disposal Instructions

- When the pouch reaches the end of its useful life, dispose of it in accordance with local waste management regulations.
- Consider recycling components if applicable, especially materials that can be reused.

Contact Information for Further Support

For any questions or concerns regarding the Fanny Sack Pouch MK3, please refer to the manufacturer's contact details provided with your purchase.

By following these safety instructions, you can ensure a safe and effective experience with your Fanny Sack Pouch MK3. Always prioritize safety and be aware of your environment while using this product. Thank you for your attention to these guidelines.
