# BULLET LASER BORE SIGHTING SYSTEM SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the BULLET LASER BORE SIGHTING SYSTEM by Shooting Made Easy. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before using the bore sighting system.

## General Safety Guidelines

- Always handle the bore sighting system with care to prevent accidents.
- Ensure that the product is used only as intended, following the manufacturer's instructions.
- Keep the bore sighting system out of reach of children and unauthorized users.
- Regularly check for any signs of damage or malfunction before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Do not look directly into the laser beam or point it at anyone's eyes.
- Ensure the firearm is unloaded before inserting the bore sighting system.
- Use the bore sighting system only in a safe and controlled environment.
- Follow all local laws and regulations regarding the use of laser devices.
- Avoid using the bore sighting system in wet or damp conditions to prevent electrical hazards.
- Do not modify or disassemble the bore sighting system, as this may compromise safety.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is pointed in a safe direction and is unloaded.
- Insert the bore sighting system into the chamber of the firearm, ensuring it fits snugly.
- Make sure the system is aligned properly with the barrel for accurate results.

### 2. Usage:

- Activate the laser by following the manufacturer's instructions.
- Observe the laser dot on the target to adjust your firearm's sights as needed.
- After use, remove the bore sighting system from the firearm and store it safely.

## Disposal Instructions

- Dispose of the bore sighting system according to local regulations for electronic waste.
- Do not throw the product in regular household waste.
- Check with local authorities for proper disposal methods to minimize environmental impact.

## Contact Information for Further Support

For any questions or concerns regarding the BULLET LASER BORE SIGHTING SYSTEM, please refer to the product packaging for contact information or consult the manufacturer's website for additional support.

Thank you for prioritizing safety while using the BULLET LASER BORE SIGHTING SYSTEM. Your attention to these

guidelines helps ensure a safe and enjoyable experience.
