Introduction

Thank you for choosing the BULLET LASER BORE SIGHTING SYSTEM from SHOOTING MADE EASY. This guide provides essential safety instructions to ensure the safe and effective use of your bore sighting system. Please read this guide thoroughly before using the product.

General Safety Guidelines

- Ensure the product is used only as intended and in accordance with the instructions provided.
- Keep the product out of reach of children and vulnerable individuals to prevent accidental misuse.
- Regularly inspect the bore sighting system for any signs of damage or wear before use.
- If you notice any irregularities or malfunctions, discontinue use immediately and seek assistance.
- Report any unsafe products or accidents to the relevant authorities as part of consumer safety.

Specific Safety Precautions for Use

- Always handle the bore sighting system with care. Avoid dropping or mishandling it.
- Do not point the laser at eyes or reflective surfaces to prevent potential eye injury.
- Ensure the firearm is unloaded before attaching the bore sighting system.
- Always follow local laws and regulations regarding the use of laser devices and firearms.
- Use the bore sighting system in a safe environment, free from distractions and hazards.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is completely unloaded.
- Select the appropriate caliber-specific bore sight for your firearm.
- Insert the bore sight into the muzzle of the firearm gently.
- Ensure it fits snugly but does not require excessive force.

2. Usage:

- Activate the laser by following the manufacturer's instructions.
- Aim the firearm at a safe target area.
- Adjust the firearm's sights based on the laser's point of impact.
- After use, remove the bore sight from the firearm and store it safely.

Disposal Instructions

- Dispose of the bore sighting system in accordance with local regulations for electronic and laser products.
- Do not dispose of the product in regular household waste.
- Check for any specific disposal instructions provided by the manufacturer.
