# BULLET LASER BORE SIGHTING SYSTEM Safety Instruction Guide

## Introduction

Thank you for choosing the BULLET LASER BORE SIGHTING SYSTEM 204 RUGER. This product is designed to help you achieve meticulous accuracy in your shooting activities. To ensure safe and effective use, please read this safety instruction guide carefully. It contains essential information on safe handling, installation, usage, and disposal of the product, in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always handle the bore sighting system with care, treating it as if it were a loaded firearm.
- Keep the product out of reach of children and unauthorized users.
- Inspect the bore sighting system before each use for any signs of damage or wear.
- Use the bore sighting system only for its intended purpose as specified in the product documentation.
- Follow all local laws and regulations regarding the use of laser devices.
- Be aware of your surroundings when using the bore sighting system to avoid accidents.

## Specific Safety Precautions for Use

- Do not point the laser at anyone's eyes or reflective surfaces.
- Always ensure that the firearm is unloaded before inserting the bore sighting system.
- Use the bore sighting system in a safe and controlled environment, away from people and animals.
- Do not use the bore sighting system if you are under the influence of alcohol or drugs.
- If you experience any discomfort or adverse effects while using the product, discontinue use immediately and seek medical advice.

## Instructions for Installation and Usage

### Installation

#### 1. Prepare Your Firearm:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove any ammunition from the vicinity to prevent accidental loading.

#### 2. Insert the Bore Sighter:

- Select the appropriate caliberspecific bore sighter (204 Ruger).
- Gently insert the bore sighter into the muzzle of the firearm until it is fully seated.

#### 3. Align the Laser:

- Turn on the laser by activating the switch (if applicable).
- Observe the laser dot on a target at a safe distance to check alignment.

### Usage

- Use the bore sighting system to adjust your firearm's sights or scope according to the laser dot's position.
- Make any necessary adjustments to your sighting system based on the laser's position.
- After adjustments, remove the bore sighter carefully and store it in a safe place.

## Disposal Instructions

- Dispose of the bore sighting system in accordance with local regulations regarding electronic waste.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer functional, contact your local waste management authority for proper disposal methods.

## Contact Information for Further Support

For any safety inquiries or support regarding the BULLET LASER BORE SIGHTING SYSTEM, please refer to the manufacturer's contact information provided in the product packaging or documentation.

## Conclusion

By following these safety instructions, you can ensure a safe and effective experience with the BULLET LASER BORE SIGHTING SYSTEM 204 RUGER. Always prioritize safety and be aware of your surroundings when using this product. Thank you for your attention to these important safety guidelines.
