# BULLET LASER BORE SIGHTING SYSTEM Safety Instruction Guide

## Introduction

Thank you for choosing the BULLET LASER BORE SIGHTING SYSTEM by SHOOTING MADE EASY. This product is designed to enhance your shooting accuracy with meticulous precision. To ensure safe and effective use, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this manual.
- Always handle the laser bore sighting system with care to prevent accidents.
- Keep the product out of reach of children and vulnerable individuals.
- Do not point the laser at any person or animal.
- Avoid using the product in wet or damp conditions to prevent electrical hazards.
- Regularly inspect the product for any signs of damage or wear before use.
- Report any unsafe conditions or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Use the bore sighting system only with the appropriate caliber (20 Gauge).
- Always wear safety glasses when using the laser bore sight to protect your eyes.
- Do not look directly into the laser beam.
- Ensure the firearm is unloaded and pointed in a safe direction before installing the bore sight.
- Follow all local laws and regulations regarding the use of laser devices and firearms.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure that your firearm is unloaded and safe.
- Gather all necessary equipment, including the bore sighting system and safety glasses.

### 2. Installation

- Insert the laser bore sight into the chamber of the firearm.
- Ensure it fits snugly and is properly aligned with the barrel.
- Do not force the bore sight into the chamber, as this may cause damage.

### 3. Usage

- Activate the laser by pressing the designated button on the bore sight.
- Adjust your firearm's sights according to the laser's point of aim.
- Make any necessary adjustments to your shooting stance or technique based on the laser's alignment.
- After use, remove the bore sight from the chamber and store it safely.

### 4. PostUsage Care

- Always remove the laser bore sight from the firearm after use to prevent any accidental discharge.
- Store the bore sight in a dry, safe location away from children.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding electronic waste and batteries.
- Do not dispose of the laser bore sight in regular household waste.
- Contact your local waste management authority for information on proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or further support regarding the BULLET LASER BORE SIGHTING SYSTEM, please refer to the manufacturer's contact details provided with the product packaging or on the manufacturer's official website.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with enhanced accuracy and safety.
