BULLET LASER BORE SIGHTING SYSTEM Safety Instruction Guide

Introduction

Thank you for choosing the BULLET LASER BORE SIGHTING SYSTEM by SHOOTING MADE EASY. This guide provides essential safety instructions to ensure the safe and effective use of your bore sighting system. Please read this manual carefully before using the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle the bore sighting system with care to prevent accidents.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear.
- Follow all local laws and regulations regarding the use of laser products.

Specific Safety Precautions for Use

- **Laser Safety:** The laser emitted from this device can cause eye damage. Never look directly into the laser beam or point it at anyone.
- **Firearm Safety:** Always treat firearms as if they are loaded. Follow standard firearm safety rules when using the bore sighting system.
- **Storage:** Store the bore sighting system in a secure location when not in use to prevent accidental activation.
- **Calibration:** Ensure that the bore sighting system is properly calibrated for your specific caliber before use.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Insert the bore sighting system into the chamber of the firearm according to the manufacturer's instructions for your specific caliber (223 Remington or 222 Remington).
- Ensure a snug fit to maintain alignment.

2. Usage:

- Activate the laser by following the specific instructions provided with the product.
- Aim the firearm at a safe target area.
- Adjust the sights of your firearm based on the laser's position on the target.
- After use, remove the bore sighting system from the firearm and store it safely.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste.
- Do not dispose of the product in regular household waste.
- Consider recycling options for the brass casing and other components.

Contact Information for Further Support

For any safety inquiries or product support, please refer to the contact details provided with the product packaging or visit the manufacturer's website.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience with your BULLET LASER BORE SIGHTING SYSTEM. Always prioritize safety and consult local regulations regarding the use of laser products and firearms. Thank you for your attention to these important guidelines.
