# **BULLET LASER BORE SIGHTING SYSTEM Safety Instruction Guide**

## **Introduction**

Thank you for choosing the BULLET LASER BORE SIGHTING SYSTEM by Shooting Made Easy. This guide provides essential safety instructions and information to ensure the safe use of your bore sighting system. Please read this manual carefully before using the product.

## **General Safety Guidelines**

To ensure your safety and the safety of others, please adhere to the following guidelines:

- Always handle the bore sighting system with care and respect.
- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the bore sighting system for any signs of damage or wear.
- Do not use the product if it appears damaged or malfunctioning.
- Report any unsafe conditions or incidents to the appropriate authorities.

## **Specific Safety Precautions for Use**

When using the BULLET LASER BORE SIGHTING SYSTEM, please observe the following precautions:

- Always ensure that the firearm is unloaded before inserting the bore sighting system.
- Never point the laser at yourself or others.
- Avoid looking directly into the laser beam.
- Use the bore sighting system in a safe and controlled environment.
- Be aware of your surroundings and ensure that no one is within the line of fire.
- Follow all local laws and regulations regarding the use of laser devices.

## **Instructions for Installation and Usage**

To properly use the BULLET LASER BORE SIGHTING SYSTEM, follow these instructions:

### **1. Installation:**

- Ensure the firearm is completely unloaded.
- Remove the bolt or open the action of the firearm to ensure it is safe.
- Insert the bore sighting system into the chamber of the firearm, ensuring it fits snugly.
- Close the action of the firearm carefully.

### **2. Usage:**

- Aim the firearm at a safe target area.
- Activate the laser by pressing the designated button on the bore sighting system.
- Observe the laser dot on the target to assess alignment.
- Make necessary adjustments to the firearm's sights based on the laser's position.

### **3. PostUse:**

- Remove the bore sighting system from the firearm after use.
- Store the bore sighting system in a safe and dry place.

## **Disposal Instructions**

When the BULLET LASER BORE SIGHTING SYSTEM reaches the end of its life or is no longer usable, please dispose of it responsibly:

- Do not dispose of the product in regular household waste.
- Check local regulations for proper disposal methods for electronic devices.
- Consider recycling options available in your area.

## **Contact Information for Further Support**

For any questions or concerns regarding the BULLET LASER BORE SIGHTING SYSTEM, please refer to the manufacturer's contact information provided on the product packaging or visit the official website.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your BULLET LASER BORE SIGHTING SYSTEM. Thank you for prioritizing safety and responsible usage.
