BULLET LASER BORE SIGHTING SYSTEM Safety Instruction Guide

Introduction

Thank you for choosing the BULLET LASER BORE SIGHTING SYSTEM by SHOOTING MADE EASY. This guide provides essential safety instructions to ensure the safe and effective use of your laser bore sighting system. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always handle the laser bore sighting system with care to avoid accidents.
- Keep the product out of reach of children and vulnerable individuals.
- Do not point the laser at any person's eyes or reflective surfaces.
- Regularly inspect the product for any signs of damage or wear.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate safety glasses when using the laser bore sighting system.
- Ensure that the firearm is unloaded before installing the bore sight.
- Do not use the bore sighting system in conditions that may impair your vision or concentration.
- Avoid using the product in wet or damp conditions to prevent electrical hazards.
- Do not attempt to disassemble or modify the laser bore sighting system.
- Follow all local laws and regulations regarding the use of laser devices.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is completely unloaded.
- Gather all necessary equipment for installation.

2. Installation:

- Insert the laser bore sight into the chamber of the firearm.
- Ensure a snug fit and that the bore sight is properly aligned with the barrel.

3. Usage:

- Activate the laser by following the manufacturer's instructions.
- Use the laser to assist in sighting your firearm accurately.
- After use, remove the laser bore sight from the chamber.

4. PostUse:

- Store the laser bore sight in a safe place, away from children and pets.
- Regularly check the battery and replace it as needed to ensure optimal performance.

Disposal Instructions

- Dispose of the laser bore sighting system in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Check for any specific disposal guidelines for electronic devices in your area.

Contact Information for Further Support

For any questions or concerns regarding the BULLET LASER BORE SIGHTING SYSTEM, please refer to the manufacturer's customer support resources. Always ensure that you have the product information available when seeking assistance.

By following these safety instructions, you can ensure a safe and effective experience with your BULLET LASER BORE SIGHTING SYSTEM. Thank you for your attention to these important safety guidelines.
