# BULLET LASER BORE SIGHTING SYSTEM SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the BULLET LASER BORE SIGHTING SYSTEM from SHOOTING MADE EASY. This guide provides essential safety instructions to ensure the safe and effective use of your bore sighting system. Please read and follow these guidelines carefully to avoid any hazards and to maximize your product's performance.

## General Safety Guidelines

- Ensure that you are familiar with the operation of firearms and ammunition before using this product.
- Always treat the bore sighting system as if it is a loaded firearm.
- Keep the bore sighting system out of reach of children and unauthorized users.
- Use the product only for its intended purpose, which is to assist in sighting firearms.
- Do not use the bore sighting system in any manner that is inconsistent with the manufacturer's instructions.
- Regularly inspect the bore sighting system for any signs of damage or wear before use.
- If you notice any defects or malfunctions, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- Only use the bore sighting system with the specified calibers: 300 WSM, 270 WSM, 7 mm WSM, and 325 WSM.
- Avoid looking directly into the laser beam; it can cause eye injury.
- Do not point the laser at anyone or any reflective surfaces.
- Ensure that the firearm is unloaded before inserting the bore sighting system.
- Always follow safe handling practices for firearms when using the bore sighting system.
- Store the bore sighting system in a secure location when not in use.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is completely unloaded.
- Remove any existing ammunition from the chamber and magazine.

### 2. Inserting the Bore Sighting System:

- Select the appropriate caliber-specific bore sighting system.
- Insert the bore sighting system into the chamber of the firearm.
- Ensure it fits snugly and is properly aligned.

### 3. Activating the Laser:

- Turn on the bore sighting system according to the manufacturer's instructions.
- Adjust the laser to your desired sighting point.

### 4. Sighting:

- Aim the firearm at a target.
- Observe the laser dot on the target and adjust your sights accordingly.

### 5. Removal:

- After sighting is complete, remove the bore sighting system from the chamber.
- Store the bore sighting system in a safe place.

## **Disposal Instructions**

- Dispose of the bore sighting system according to local regulations for electronic waste.
- Do not dispose of the product in regular household waste.
- Check with your local waste management authority for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the BULLET LASER BORE SIGHTING SYSTEM, please refer to the manufacturer's contact information included with your product packaging.

By following these safety instructions, you can ensure a safe and effective experience with your BULLET LASER BORE SIGHTING SYSTEM. Thank you for your attention to safety!
