BULLET LASER BORE SIGHTING SYSTEM SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the BULLET LASER BORE SIGHTING SYSTEM by SHOOTING MADE EASY. This guide provides essential safety instructions to ensure the proper use and maintenance of your product. Please read this document carefully to maximize your safety and the effectiveness of the bore sighting system.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this manual.
- Keep the bore sighting system out of reach of children and unauthorized users.
- Always handle the product with care to avoid accidents or injuries.
- Inspect the product for any damage before use. Do not use if damaged.
- Follow all local laws and regulations regarding the use of laser products.
- Be aware of your surroundings when using the laser bore sighting system to avoid accidental injury to yourself or others.

Specific Safety Precautions for Use

- **Laser Safety:**
 - Never point the laser at eyes or reflective surfaces.
 - Use protective eyewear if necessary.
- **Firearm Safety:**
 - Always treat firearms as if they are loaded.
 - Ensure the firearm is pointed in a safe direction at all times.
 - Follow all standard firearm safety protocols.
- **Environment:**
 - Use the bore sighting system in a safe, controlled environment.
 - Avoid using in areas where there are distractions or potential hazards.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Insert the bore sighting system into the chamber of the firearm according to the manufacturer's instructions.
- Ensure it is securely in place before proceeding.

2. Usage:

- Activate the laser by following the specific instructions provided with the product.
- Align the laser dot with the target you are aiming at.
- Make any necessary adjustments to your sights based on the laser's position.
- After use, remove the bore sighting system from the firearm and store it safely.

Disposal Instructions

- Dispose of the bore sighting system in accordance with local regulations.
- Do not dispose of electronic components in regular household waste.
- Consider recycling options for materials where applicable.

Contact Information for Further Support

For questions or concerns regarding the safety and usage of the BULLET LASER BORE SIGHTING SYSTEM, please refer to the contact information provided with your product packaging.

By following these safety instructions, you can ensure a safe and effective experience with your BULLET LASER BORE SIGHTING SYSTEM. Always prioritize safety and responsible usage.
