DELUXE END OF BARREL LASER BORE SIGHTER

Safety Instruction Guide

Introduction

Thank you for choosing the DELUXE END OF BARREL LASER BORE SIGHTER from Shooting Made Easy. This guide provides essential safety instructions to ensure the safe use of this product. Please read this document carefully before using the bore sighter.

General Safety Guidelines

- Always handle firearms with care and follow all safety protocols.
- Ensure that the bore sighter is used in a safe environment, away from unauthorized personnel and children.
- Do not use the bore sighter if it appears damaged or malfunctioning.
- Store the bore sighter in a secure place to prevent unauthorized access.
- Always follow local laws and regulations regarding the use of firearms and bore sighting equipment.

Specific Safety Precautions for Use

- **Eye Protection:** Always wear appropriate eye protection when using the bore sighter.
- **Firearm Safety:** Ensure that your firearm is unloaded before attaching the bore sighter.
- **Alignment:** Ensure that the bore sighter is properly aligned with the barrel to avoid misalignment during use.
- **Distance:** Maintain a safe distance from the muzzle when using the bore sighter.
- **Children:** Keep the bore sighter and all related equipment out of reach of children.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Gather the necessary tools and materials, including the bore sighter and alignment target.

2. Installation:

- Select the appropriate adapter from the kit that corresponds to your firearm's caliber (.17 to .50 caliber).
- Insert the bore sighter into the muzzle of the firearm, ensuring a snug fit without forcing it.
- Adjust the alignment target to the desired distance for sighting.

3. Usage:

- Activate the bore sighter according to the included instructions. Ensure that the laser is visible on the alignment target.
- Adjust your firearm's sights to align with the laser dot on the target.
- After sighting, remove the bore sighter from the firearm carefully.

4. PostUse:

- Store the bore sighter in the provided storage pouch to protect it from damage.
- Dispose of any used batteries in accordance with local regulations.

Disposal Instructions

- Dispose of the bore sighter and any batteries in accordance with local waste disposal regulations.
- Do not dispose of the bore sighter in household waste.
- Check local guidelines for recycling or hazardous waste disposal for electronic components.

Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the contact information provided by the retailer or manufacturer. Ensure that you have the product details ready when seeking support.

Conclusion

By following these safety instructions, you can enjoy the benefits of the DELUXE END OF BARREL LASER BORE SIGHTER while minimizing risks. Always prioritize safety when using firearms and related equipment. Thank you for your attention to these guidelines.
