BASIC END OF BARREL LASER BORE SIGHTER SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the BASIC END OF BARREL LASER BORE SIGHTER from SHOOTING MADE EASY. This product is designed to enhance your shooting experience by providing a precise alignment tool for your firearm. Please read this safety instruction guide carefully to ensure safe and effective use of the product, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Ensure the laser bore sighter is compatible with your firearm's caliber (.17 to .50 caliber).
- Keep the laser bore sighter out of reach of children and unauthorized users.
- Avoid direct eye exposure to the laser beam.
- Use the product only as intended and follow the instructions provided.
- Regularly check the condition of the bore sighter for any signs of wear or damage.
- Report any unsafe products or accidents to relevant authorities and check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Laser Safety:**
 - Do not look directly into the laser beam.
 - Avoid pointing the laser at anyone's eyes or reflective surfaces.
- **Firearm Safety:**
 - Ensure that the firearm is unloaded before using the laser bore sighter.
 - Always follow the manufacturer's safety instructions for your specific firearm.
- **Handling:**
 - Handle the laser bore sighter with care to avoid dropping or damaging it.
 - Store the bore sighter in the provided storage pouch when not in use.

Instructions for Installation and Usage

1. **Preparation:**
 - Ensure that your firearm is unloaded and pointed in a safe direction.
 - Gather the alignment target and storage pouch provided with the laser bore sighter.
2. **Installation:**
 - Insert the laser bore sighter into the end of the barrel of your firearm, ensuring a snug fit.
 - Make sure there is no metal-to-metal contact to prevent scratching.
3. **Usage:**
 - Turn on the laser bore sighter to activate the laser.

- Align the laser beam with the target at your desired shooting distance.
- Make adjustments as necessary to ensure proper alignment.

4. PostUse:

- Turn off the laser bore sighter after use.
- Remove the bore sighter from the barrel of the firearm and store it safely in the storage pouch.

Disposal Instructions

- Dispose of the laser bore sighter in accordance with local regulations regarding electronic waste.
- Remove batteries before disposal and recycle them according to local guidelines.
- Do not dispose of the product in household waste.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the BASIC END OF BARREL LASER BORE SIGHTER, please refer to the appropriate EU contact point or your local retailer. They can provide additional information and support to ensure your safety and satisfaction with the product.

Thank you for your attention to these safety guidelines. Enjoy your shooting experience with the BASIC END OF BARREL LASER BORE SIGHTER!
