

6.5X55MM SWEDISH MAUSER BRASS CASE - NORMA 6.5X55MM SWEDISH BRASS 50/BOX

[Reloading](#) > [Brass](#) > [Rifle Brass](#)

Norma Brass provides the serious reloader a premium grade, quality cartridge to reload. Norma Brass is bulk packed from the same lot. We try to keep a good supply of brass in inventory, but due to factory production and delivery delays, we may occasionally be out of some cartridges. Norma Brass is made to such exact standards that the cartridges typically include machined case heads, drilled (not punched) flash holes and close tolerance wall thickness.

Safety Instruction Guide for 6.5X55MM Swedish Mauser Brass Case

Introduction

Thank you for choosing the 6.5X55MM Swedish Mauser Brass Case by Norma. This guide provides essential safety instructions and precautions to ensure the safe use of this product. Please read the entire guide carefully before using the brass cases.

General Safety Guidelines

- Ensure that you are familiar with the safe handling and storage of ammunition components.
- Always follow local laws and regulations regarding the purchase, use, and storage of ammunition.
- Store brass cases in a cool, dry place away from direct sunlight and moisture.
- Keep brass cases out of reach of children and unauthorized persons.
- Inspect brass cases for any signs of damage or defects before use.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses and hearing protection, when reloading ammunition.
- Do not exceed recommended load specifications when reloading.
- Ensure that your reloading equipment is in good working condition and free from obstructions.
- Avoid distractions while reloading to maintain focus and precision.
- Use only the recommended components and powders for reloading 6.5X55MM Swedish Mauser cartridges.
- Follow the manufacturer's instructions for all equipment used in the reloading process.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary reloading equipment and components.
- Ensure your workspace is clean and organized.

2. Inspecting Brass Cases:

- Check each brass case for signs of damage, such as cracks or deformities.
- Discard any damaged brass cases.

3. Reloading Process:

- Resize the brass cases using a resizing die.
- Clean the inside of the case to remove any debris or residue.
- Insert the appropriate primer into the primer pocket.
- Measure and add the correct amount of gunpowder.
- Seat the bullet to the specified overall length.

4. Final Inspection:

- Inspect the completed cartridges for any defects.
- Store completed cartridges in a safe and secure location.

Disposal Instructions

- Dispose of any damaged or unusable brass cases in accordance with local regulations.
- Do not throw brass cases in regular trash; check with local recycling centers for proper disposal methods.
- Ensure that all components are disposed of safely to prevent environmental contamination.

Contact Information for Further Support

For any inquiries or additional support regarding the 6.5X55MM Swedish Mauser Brass Case, please refer to the contact details provided by the retailer or manufacturer.

By following these safety instructions and guidelines, you can ensure a safe and enjoyable reloading experience. Thank you for your attention to safety.
