

# 204 RUGER BRASS CASE - NORMA 204 RUGER BRASS 50/BOX

[Reloading](#) > [Brass](#) > [Rifle Brass](#)

Norma Brass provides the serious reloader a premium grade, quality cartridge to reload. Norma Brass is bulk packed from the same lot. We try to keep a good supply of brass in inventory, but due to factory production and delivery delays, we may occasionally be out of some cartridges. Norma Brass is made to such exact standards that the cartridges typically include machined case heads, drilled (not punched) flash holes and close tolerance wall thickness.

# Safety Instruction Guide for 204 RUGER BRASS CASE

## Introduction

Thank you for choosing the 204 RUGER BRASS CASE from NORMA. This product is designed for serious reloaders who value quality and precision. To ensure safe handling and usage of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always handle ammunition and reloading components with care.
- Store brass cases in a cool, dry place, away from direct sunlight.
- Keep brass cases out of reach of children and pets.
- Inspect all brass cases for damage before use.
- Follow all local laws and regulations regarding ammunition and reloading supplies.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Use only with compatible firearms that are designed for the 204 Ruger cartridge.
- Wear appropriate safety gear, including safety glasses and hearing protection, when reloading and shooting.
- Ensure that your reloading equipment is in good working condition and properly maintained.
- Do not exceed recommended load data when reloading.
- Be cautious of any signs of overpressure or malfunctions during shooting.

## Instructions for Installation and Usage

### • Preparation:

- Gather all necessary reloading equipment and components.
- Ensure your workspace is clean and organized.

### • Reloading Process:

- Inspect each brass case for cleanliness and structural integrity.
- Use a case trimmer if necessary to ensure proper length.
- Clean the inside of the case to remove any debris or residue.
- Prime the case according to the manufacturer's instructions.
- Measure and add powder according to recommended load data.
- Seat the bullet securely in the case mouth.

### • PostReloading:

- Label your reloaded ammunition with load data and date of reloading.
- Store reloaded ammunition in a designated container.
- Regularly check for any signs of wear or damage in your reloaded cartridges.

## Disposal Instructions

- Dispose of used brass cases in accordance with local regulations.
- Do not dispose of brass cases in regular household waste.

- Consider recycling brass cases if possible.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and usage of the 204 RUGER BRASS CASE, please refer to the manufacturer's contact information provided on the packaging or product documentation.

By following these safety instructions, you can ensure a safe and enjoyable reloading experience. Thank you for your attention to safety and for choosing NORMA products.
