

6.5MM CREEDMOOR BRASS CASE - NORMA 6.5 CREEDMOOR BRASS 50/BOX

[Reloading](#) > [Brass](#) > [Rifle Brass](#)

Norma Brass provides the serious reloader a premium grade, quality cartridge to reload. Norma Brass is bulk packed from the same lot. We try to keep a good supply of brass in inventory, but due to factory production and delivery delays, we may occasionally be out of some cartridges. Norma Brass is made to such exact standards that the cartridges typically include machined case heads, drilled (not punched) flash holes and close tolerance wall thickness.

Safety Instruction Guide for 6.5MM Creedmoor Brass Case

Introduction

Thank you for choosing the 6.5MM Creedmoor Brass Case from NORMA. This product is designed for serious reloaders seeking premium quality cartridges. To ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR), please read this safety instruction guide carefully.

General Safety Guidelines

- Always handle ammunition and reloading components with care.
- Store brass cases in a cool, dry place away from direct sunlight.
- Keep brass cases out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that you are using the correct reloading techniques as per the specifications for 6.5 Creedmoor cartridges.
- Always wear appropriate safety gear, such as safety glasses and gloves, when reloading ammunition.
- Inspect brass cases for any signs of damage or wear before use.
- Avoid using brass cases that have been previously damaged or improperly stored.
- Do not exceed the recommended load data provided by reputable reloading manuals.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary equipment: reloading press, dies, powder, primers, and safety gear.
- Ensure your workspace is clean and organized.

2. Inspecting Brass Cases

- Check each brass case for cracks, dents, or other imperfections.
- Clean the brass cases if necessary to remove dirt or debris.

3. Reloading Process

- Securely place the brass case in the reloading press.
- Follow the reloading manual for the specific 6.5 Creedmoor load data.
- Carefully seat the primer using appropriate tools.
- Measure and add the correct amount of powder.
- Seat the bullet to the specified depth.

4. Final Inspection

- Inspect the completed cartridges for consistency and quality.
- Store completed cartridges in a safe, designated area.

Disposal Instructions

- Dispose of any damaged or unusable brass cases in accordance with local regulations.
- Do not discard brass cases in regular household waste.
- Contact local recycling facilities for proper disposal methods.

Contact Information for Further Support

For safety inquiries or further assistance, please reach out to the appropriate EU-based contact point or refer to the manufacturer's website for more information.

By following these safety instructions, you can help ensure a safe and enjoyable reloading experience with your 6.5MM Creedmoor Brass Case. Thank you for your attention to safety.
