# LAZER 308 Caliber (0.308") Gen2 Bullets Safety Instruction Guide

## Introduction

Thank you for choosing the LAZER 308 Caliber (0.308") Gen2 Bullets by Cutting Edge Bullets. This guide provides important safety information and instructions for the proper use, installation, and disposal of this product. Please read this guide carefully to ensure safe handling and use.

## General Safety Guidelines

- Always treat all ammunition as if it is live and capable of firing.
- Store ammunition in a cool, dry place away from direct sunlight.
- Keep ammunition out of reach of children and unauthorized individuals.
- Use only firearms that are specifically designed for the 308 caliber.
- Always wear appropriate eye and ear protection when handling or firing ammunition.
- Ensure that your firearm is in good working condition and is regularly maintained.
- Follow all local laws and regulations regarding the use and storage of ammunition.

## Specific Safety Precautions for Use

- Do not use damaged or corroded ammunition.
- Inspect each round before use for any signs of damage or defects.
- Avoid mixing different brands or types of ammunition in the same magazine.
- Never attempt to modify or disassemble the bullets or ammunition.
- Use the ammunition only for its intended purpose—hunting or target shooting.
- Be aware of your surroundings and ensure that you have a safe backdrop when firing.

## Instructions for Installation and Usage

### 1. Loading the Ammunition:

- Ensure your firearm is pointed in a safe direction.
- Open the action of the firearm and visually inspect to ensure it is unloaded.
- Load the bullets into the magazine according to the manufacturer's instructions.

### 2. Firing the Ammunition:

- Ensure the area is clear of people and obstacles.
- Position yourself in a stable shooting stance.
- Aim at the target and ensure your firearm is secure.
- Pull the trigger gently while maintaining focus on the target.

### 3. After Firing:

- Always keep the firearm pointed in a safe direction.
- Open the action and visually inspect to ensure the firearm is unloaded.
- Store any unused ammunition safely and securely.

## Disposal Instructions

- Do not dispose of ammunition in regular trash.
- Contact your local waste management authority for guidance on safe disposal methods.

- If you have any unused or expired ammunition, return it to a licensed dealer for proper disposal.

## Contact Information for Further Support

For any safety inquiries or concerns regarding this product, please reach out to the designated EU contact point. Always ensure that you have the latest safety information and recall updates.

## Conclusion

Following these safety guidelines and instructions will help ensure a safe and enjoyable experience with your LAZER 308 Caliber (0.308") Gen2 Bullets. Always prioritize safety and stay informed about best practices when handling ammunition. Thank you for your attention to safety.
