

# 22 CALIBER (0.224") HIGH VELOCITY CONTROLLED CHAOS BULLETS - LEHIGH DEFENSE 22 CALIBER (0.224") 45GR COPPER HOLLOW POINT 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

LeHigh's High Velocity Controlled Chaos rounds were developed as a result of an animal control agency's request for a no lead .243 bullet that would provide extensive wound trauma with little minimal pass through energy. Basically the idea was to burst the bullet into numerous particles at a predetermined depth creating many wounds and a large temporary cavity with shot placement at or near the central nervous system. The agency had tried copper matrix frangible rounds and found the penetration depth and particle size were less than what was require for proper terminal performance. Many wound channels resulting in extensive damage CNC machined from solid copper or brass, not formed or swaged Exceptional accuracy from the advanced manufacturing process A separate base for penetration along the original trajectory No lead designs for agencies requiring green projectiles

## Attributes

- Name: [LEHIGH DEFENSE 22 CALIBER \(0.224"\) 45GR COPPER HOLLOW POINT 50/BOX](#)
- Manufacturer: [LEHIGH DEFENSE](#)
- Product no.: 430101367
- Mfr. No.: 05224045CUSP
- Ballistic Coefficient (G1): 0.222
- Brand Style: Controlled Chaos
- Bullet Style: Hollow Point (HP)
- Caliber: 22 Caliber
- Diameter (Breech): 0.224
- Diameter (in): 0.224
- Grain: 45
- Quantity: 50
- Delivery weight: 0.146kg
- Shipping height: 64mm
- Shipping width: 64mm
- Shipping length: 76mm
- UPC: 810025507558

## Item details

Made in USA

US export classification: 0A505.x

# Safety Instruction Guide for 22 Caliber (0.224") High Velocity Controlled Chaos Bullets

## Introduction

Thank you for choosing LeHigh Defense 22 Caliber (0.224") High Velocity Controlled Chaos Bullets. This guide provides essential safety information to ensure the safe use and handling of this product. Please read this guide thoroughly before using the bullets.

## General Safety Guidelines

- **Product Safety:** Ensure that you use this product in accordance with all safety instructions. This product is designed for safe use when handled properly.
- **Enhanced Recalls:** Stay informed about any recalls related to this product. Follow the instructions provided in recall notices for safe disposal or return.
- **Online Shopping:** If purchased online, ensure that the retailer meets safety standards applicable to physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Ensure that it is stored safely and out of reach of minors.
- **EU Contact Point:** For safety inquiries, refer to the contact information provided by your retailer or manufacturer.
- **Rapid Alerts:** Keep updated on any safety alerts regarding this product through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Age Restrictions:** This product is intended for use by individuals aged 18 and older. Verify age before handling or using the bullets.
- **Protective Gear:** Always wear appropriate protective gear, including safety glasses and hearing protection, when using firearms loaded with these bullets.
- **Storage:** Store bullets in a cool, dry place away from direct sunlight and out of reach of children.
- **Handling:** Handle with care to avoid accidental discharge. Always treat every bullet as if it is loaded.
- **Transport:** Ensure that bullets are securely stored during transport to prevent movement and potential accidents.
- **Disposal:** Follow local regulations for the disposal of ammunition. Do not dispose of bullets in regular trash.

## Instructions for Installation and Usage

- **Installation:**
  - Ensure that your firearm is compatible with 22 Caliber (0.224") bullets.
  - Clean the firearm before loading to ensure optimal performance.
- **Usage:**
  - Load bullets according to the manufacturer's instructions for your specific firearm model.
  - Always check that the firearm is pointed in a safe direction before loading or unloading.
  - Use only in firearms designed for 22 caliber ammunition.
  - Follow all local laws and regulations regarding the use of firearms and ammunition.

## **Disposal Instructions**

- **Disposal of Unused Bullets:**

- Return any unused or defective bullets to the retailer or manufacturer for safe disposal.
- Do not throw away bullets in regular trash. Follow local laws for hazardous waste disposal.

## **Contact Information for Further Support**

For further assistance or inquiries regarding safety and product information, please refer to the contact details provided by your retailer or the manufacturer. It is important to have this information readily available for any questions or concerns you may have regarding the product.

By following these guidelines, you can ensure the safe use of LeHigh Defense 22 Caliber (0.224") High Velocity Controlled Chaos Bullets. Always prioritize safety and stay informed about best practices for handling ammunition. Thank you for your attention to these important safety instructions.
