

45 CALIBER XTREME DEFENSE FTM BULLETS - LEHIGH DEFENSE 45 CALIBER (0.451") 135GR FLUID TRANSFER MONOLITHIC 100/BOX

[Reloading](#) > [Bullets](#) > [Pistol Bullets](#)

The Xtreme Defense (XD) Technology is based on LeHigh's popular Xtreme Penetrator product line. The design goal was to achieve the same barrier performance and massive permanent wound cavity and reduce the penetration depth to coincide with an individual's personal comfort level. Progressive nose geometry 18" penetration depth range A permanent wound cavity (PWC) that is 2 times greater than any expanding bullet A PWC near that of a 5.56 rifle. Reduced recoil. CNC machined from solid copper to overcome barriers to penetration Radial flutes that force the hydraulic energy inward to build pressure Minimal surface area to increase the force at the point of contact and sharp cutting edges that defeat barriers.

Attributes

- Name: [LEHIGH DEFENSE 45 CALIBER \(0.451"\) 135GR FLUID TRANSFER MONOLITHIC 100/BOX](#)
- Manufacturer: [LEHIGH DEFENSE](#)
- Product no.: 430101377
- Mfr. No.: 09451135SPFC
- Bullet Style: Fluid Transfer Monolithic (FTM)
- Caliber: 45 Caliber
- Diameter (in): 0.451
- Grain: 135
- Quantity: 100
- Delivery weight: 0.875kg
- Shipping height: 57mm
- Shipping width: 83mm
- Shipping length: 127mm
- UPC: 810025507770

Safety Instruction Guide for 45 Caliber Xtreme Defense FTM Bullets

Introduction

Thank you for choosing the 45 Caliber Xtreme Defense FTM Bullets by LeHigh Defense. This guide provides essential safety information and usage instructions to ensure the safe handling and application of this product. Please read this guide thoroughly before use.

General Safety Guidelines

- Ensure that all users of this product are knowledgeable about firearms and ammunition.
- Store ammunition in a cool, dry place, away from children and unauthorized persons.
- Check the product for any visible damage before use. Do not use damaged ammunition.
- Follow all local laws and regulations regarding the use and storage of ammunition.
- Use appropriate personal protective equipment (PPE) such as safety glasses and hearing protection when handling or firing ammunition.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always treat every firearm as if it is loaded.
- Keep firearms pointed in a safe direction at all times.
- Ensure the firearm is compatible with 45 Caliber ammunition before use.
- Avoid using ammunition in firearms that have not been properly maintained.
- Be aware of your surroundings and ensure a safe environment when firing.
- Do not use this ammunition for any purpose other than its intended use.
- Follow the manufacturer's guidelines for the firearm being used with this ammunition.

Instructions for Installation and Usage

- Before loading the ammunition, ensure the firearm is unloaded and pointed in a safe direction.
- Load the ammunition into the magazine or chamber according to the firearm's manual.
- After loading, visually inspect the ammunition to confirm it is seated correctly.
- When ready to fire, engage the safety mechanism of the firearm until you are prepared to shoot.
- Fire the ammunition only in a controlled and safe environment, such as a designated shooting range.
- After firing, ensure the firearm is cleared and unloaded before handling or storing it.

Disposal Instructions

- Dispose of any unused or expired ammunition in accordance with local regulations.
- Do not throw ammunition in regular trash.
- Contact local waste management authorities for proper disposal methods.
- Ensure that spent casings are cleaned up and disposed of safely.

Contact Information for Further Support

For any inquiries regarding safety or product information, please refer to the manufacturer's website or customer service channels. It is essential to have access to support for any questions or concerns related to this product.

This safety instruction guide is designed to provide you with the necessary information to use the 45 Caliber Xtreme Defense FTM Bullets safely and responsibly. Always prioritize safety and follow the guidelines provided.

to ensure a secure experience.
