

6.5 CREEDMOOR CHAMBER BRUSH - IOSSO PRODUCTS 6.5 CREEDMOOR CHAMBER BRUSH 2-PK

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Specialty Cleaning Brushes](#)

Remove Nasty Out Your 6.5 Creedmoor Chamber We've all seen chamber brushes for your standard 5.56 NATO chamber, but what about some of the less-common calibers on the market? Those chambers get dirty, too! For owners of 6.5 Creedmoor AR-15s, the IOSSO 6.5 Creedmoor Chamber Brush gets fouling and other nasty residue out from the chamber of your gun. Each IOSSO 6.5 Creedmoor Chamber Brush is made from stiff, blue fiber, which is designed to hold its shape as it scrubs the interior of your rifle's chamber. This provides better scrubbing power than brass or bronze cleaning brushes, since those deform and lose shape over time. Each kit ships with two bore brushes, and the company recommends using its IOSSO Bore Cleaner and Triple Action Oil in conjunction with the brush.

Safety Instructions for the IOSSO 6.5 Creedmoor Chamber Brush

Introduction

Thank you for choosing the IOSSO 6.5 Creedmoor Chamber Brush. This product is designed to help you maintain the cleanliness and performance of your 6.5 Creedmoor chamber. Please read this safety instruction guide carefully to ensure safe and effective use.

General Safety Guidelines

- Always use the chamber brush in accordance with the manufacturer's recommendations.
- Keep the chamber brush out of reach of children and pets.
- Inspect the brush before each use for any signs of damage or wear.
- Do not use the chamber brush for any purpose other than its intended use.
- If you experience any discomfort or injury while using the brush, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded and pointed in a safe direction before cleaning.
- Always wear safety goggles to protect your eyes from debris while cleaning.
- Use the brush gently to avoid damaging the chamber or other components of the firearm.
- Do not force the brush into the chamber; if resistance is felt, stop and check for obstructions.
- Follow the manufacturer's recommendations for cleaning solutions and oils to use with the brush.

Instructions for Installation and Usage

1. Preparation:

- Make sure your firearm is unloaded and in a safe environment.
- Gather your cleaning supplies, including the IOSSO 6.5 Creedmoor Chamber Brush, IOSSO Bore Cleaner, and Triple Action Oil.

2. Using the Chamber Brush:

- Insert the chamber brush into the chamber of the firearm.
- Rotate the brush gently while applying light pressure to scrub the interior of the chamber.
- Remove the brush and inspect for any fouling or residue.
- For best results, use in conjunction with IOSSO Bore Cleaner and Triple Action Oil.

3. PostUse Care:

- Clean the chamber brush after each use to remove any residue.
- Store the brush in a dry place, away from direct sunlight and moisture.

Disposal Instructions

- Dispose of the chamber brush responsibly. Do not throw it in regular household waste if it is damaged or worn.
- Check local regulations for proper disposal methods for cleaning tools and materials.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the IOSSO 6.5 Creedmoor Chamber Brush, please refer to the product packaging for contact details of the manufacturer.

By following these safety instructions, you can ensure the proper use and longevity of your IOSSO 6.5 Creedmoor Chamber Brush while maintaining a safe environment. Thank you for your attention to these important safety guidelines.
