

# LV-119 REAR COVERT PLATE BAG - SPIRITUS SYSTEMS LV-119 REAR COVERT PLATE BAG (LARGE) - RANGER GREEN

[Home](#)

LV/119 Rear Covert Plate Bag The Spiritus Systems LV/119 Rear COVERT Plate bag is a slick no frills solution for those who need to wear hard plates in the lowest profile possible. A 3" tall velcro loop panel is sewn at chest height for IR identifiers, patches or even our jumbo flags. The cummerbund attachment is a proprietary system that allows for the use of all of our cummerbunds as well as allowing for a wide range of adjustment. The cummerbund attaches inside the plate bag, which is advantageous for two reasons: 1. It doesn't have external mounting that can get snagged or rip off when exiting vehicles in haste. 2. It creates a smooth profile when wearing underneath clothing. The LV/119 Plate Carrier System was designed to be a scalable and highly configurable plate carrier platform. The system will offer accessories ranging from Covert Low Visibility Operations, to High Threat Direct Action Raids. We designed the system to be issued in entirety to operators who can then select the desired configuration to meet their mission requirements. All parts and accessories will be interchangeable throughout the series. Plate Fitment The carrier was designed to fit United States Standard Issue SAPI cut plates, but it will fit other cuts as well as long as they fit within the specifications listed below. The bags were built to accommodate "thicker" plates, but they will not fit plates do not fall within the measurements listed. Medium-10" x 12.5" Large- 10.25" x 13.25" Extra Large- 11" x 14.00" Thickness- MAXIMUM of 1.20" NOTE: This is a component of a Spiritus Systems LV/119 Plate Carrier build. To build a COMPLETE plate carrier you will need to select AT LEAST ONE of each of these items: Spiritus Systems Front Plate Bag Spiritus Systems Rear Plate Bag Spiritus Systems Shoulder Covers Spiritus Systems Cummerbund Set Note: This product may be shown with optional accessories. Made in the USA

# Safety Instruction Guide for LV119 Rear Covert Plate Bag

## Introduction

Thank you for choosing the Spiritus Systems LV119 Rear Covert Plate Bag. This product is designed to provide a lowprofile solution for carrying hard plates while ensuring safety and comfort during use. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

- Ensure that the LV119 Rear Covert Plate Bag is used only for its intended purpose.
- Regularly inspect the bag for any signs of wear, damage, or malfunction.
- Do not exceed the maximum thickness specified for plate fitment.
- Keep the product out of reach of children and vulnerable individuals.
- If you experience any issues with the product, cease use immediately and consult the manufacturer.

## Specific Safety Precautions for Use

- Always ensure that the hard plates used are compatible with the LV119 Rear Covert Plate Bag specifications.
- Avoid using the bag in environments where it may get caught on obstacles, which could lead to injury.
- When wearing the plate bag under clothing, ensure that it is not too tight to allow for proper movement and ventilation.
- If using in highthreat scenarios, ensure that all components are securely fastened before engaging in any activities.

## Instructions for Installation and Usage

### 1. Plate Fitment:

- Confirm that the plates you are using meet the following requirements:
  - Medium: 10" x 12.5"
  - Large: 10.25" x 13.25"
  - Extra Large: 11" x 14.00"
  - Thickness: MAXIMUM of 1.20"
- Ensure that the plates fit snugly within the bag without forcing them in.

### 2. Cummerbund Attachment:

- Attach the cummerbund inside the plate bag using the proprietary system provided.
- Adjust the cummerbund for a secure and comfortable fit, allowing for movement without restriction.

### 3. Wearing the Plate Bag:

- Place the bag on your torso at chest height, ensuring that the velcro loop panel is accessible for any patches or identifiers.
- Adjust the fit of the plate bag to ensure that it sits comfortably against your body without excessive movement.

### 4. Removing the Plate Bag:

- To remove the bag, carefully unfasten the cummerbund and lift the bag off your torso.
- Store the bag in a cool, dry place when not in use.

## **Disposal Instructions**

- Dispose of the LV119 Rear Covert Plate Bag responsibly.
- If the product is damaged beyond use, consider recycling the materials where applicable.
- Follow local regulations for the disposal of textile products.

## **Contact Information for Further Support**

For any questions or concerns regarding the LV119 Rear Covert Plate Bag, please refer to the manufacturer's contact information provided with your product packaging.

Please keep this safety instruction guide for future reference. Your safety and satisfaction are our top priorities. Thank you for choosing Spiritus Systems.
