

LV-119 REAR COVERT PLATE BAG (MEDIUM) - MULTICAM BLACK

[Home](#)

LV/119 Rear Covert Plate Bag The Spiritus Systems LV/119 Rear COVERT Plate bag is a slick no frills solution for those who need to wear hard plates in the lowest profile possible. A 3" tall velcro loop panel is sewn at chest height for IR identifiers, patches or even our jumbo flags. The cummerbund attachment is a proprietary system that allows for the use of all of our cummerbunds as well as allowing for a wide range of adjustment. The cummerbund attaches inside the plate bag, which is advantageous for two reasons: 1. It doesn't have external mounting that can get snagged or rip off when exiting vehicles in haste. 2. It creates a smooth profile when wearing underneath clothing. The LV/119 Plate Carrier System was designed to be a scalable and highly configurable plate carrier platform. The system will offer accessories ranging from Covert Low Visibility Operations, to High Threat Direct Action Raids. We designed the system to be issued in entirety to operators who can then select the desired configuration to meet their mission requirements. All parts and accessories will be interchangeable throughout the series. Plate Fitment The carrier was designed to fit United States Standard Issue SAPI cut plates, but it will fit other cuts as well as long as they fit within the specifications listed below. The bags were built to accommodate "thicker" plates, but they will not fit plates do not fall within the measurements listed. Medium-10" x 12.5" Large- 10.25" x 13.25" Extra Large- 11" x 14.00" Thickness- MAXIMUM of 1.20" NOTE: This is a component of a Spiritus Systems LV/119 Plate Carrier build. To build a COMPLETE plate carrier you will need to select AT LEAST ONE of each of these items: Spiritus Systems Front Plate Bag Spiritus Systems Rear Plate Bag Spiritus Systems Shoulder Covers Spiritus Systems Cummerbund Set Note: This product may be shown with optional accessories. Made in the USA

Safety Instruction Guide for LV119 Rear Covert Plate Bag

Introduction

Thank you for choosing the LV119 Rear Covert Plate Bag by Spiritus Systems. This product is designed to provide a lowprofile solution for users requiring hard plate protection. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Product Safety:
 - Ensure that the LV119 Rear Covert Plate Bag is used only for its intended purpose.
 - Regularly inspect the product for any signs of wear or damage.
- Enhanced Recalls:
 - Stay informed about any recalls related to this product. If notified of a recall, follow the provided instructions for returning or remedying the product.
- Online Shopping:
 - Ensure that you purchase the LV119 Rear Covert Plate Bag from authorized retailers to guarantee it meets safety standards.
- Special Consumer Focus:
 - This product is not intended for children. Keep it out of reach of minors.
- EU Contact Point:
 - For any safety inquiries, please refer to the designated EU contact point.
- Rapid Alerts:
 - Check the EU Safety Gate platform for any updates regarding product safety and recalls.

Specific Safety Precautions for Use

- Always ensure that the plate bag is properly fitted and adjusted before use.
- Avoid exposing the plate bag to extreme temperatures or harsh environmental conditions.
- Do not overload the plate bag with excessive weight beyond its designed capacity.
- Ensure that all components, including cummerbunds and shoulder covers, are securely attached before use.
- Regularly check the integrity of the Velcro loop panel and other fastening mechanisms.
- Do not use the plate bag if any part is damaged or compromised.

Instructions for Installation and Usage

1. Fitting the Plate:

- Ensure the plate bag is empty before fitting the hard plates.

- Insert the hard plates into the designated compartments of the plate bag.
- The carrier is designed to fit United States Standard Issue SAPI cut plates and other compatible cuts.
- Ensure the plates fit within the following dimensions:
 - Medium: 10" x 12.5"
 - Large: 10.25" x 13.25"
 - Extra Large: 11" x 14.00"
 - Maximum Thickness: 1.20"

2. Attaching the Cummerbund:

- The cummerbund attaches inside the plate bag for a secure fit.
- Adjust the cummerbund to ensure a snug fit around the torso.
- Ensure that the cummerbund is not twisted or damaged.

3. Wearing the Plate Bag:

- Put on the plate bag by slipping it over your head.
- Adjust the shoulder straps for comfort and security.
- Ensure the plate bag sits comfortably against your body without excessive movement.

4. Using the Velcro Loop Panel:

- The 3" tall Velcro loop panel can be used for IR identifiers, patches, or flags.
- Ensure that any items attached to the Velcro do not obstruct movement or visibility.

Disposal Instructions

- When disposing of the LV119 Rear Covert Plate Bag, follow local regulations for textile and plastic waste.
- If the product is damaged or no longer usable, consider recycling materials where possible.
- Do not burn or incinerate the product as it may release harmful substances.

Contact Information for Further Support

For further support, please refer to the appropriate contact channels provided by your retailer or manufacturer. Ensure you have your purchase details handy for any inquiries related to safety, recalls, or product information.

Thank you for following these safety instructions to ensure the effective and safe use of your LV119 Rear Covert Plate Bag.
