Kangaroo Rifle Magazine Insert The Spiritus Systems Kangaroo Plate Carrier Magazine Insert is a custom solution to a common problem for most plate carriers on the market today. The pouch is retained by hard loop sewn to one side and soft loop sewn to the other, allowing it to fit in the kangaroo pouches of many plate carrier brands. Bottom depth limiters prevent your magazines from sliding too far down into the kangaroo pouch, ensuring positive magazine purchase. Note: This product may be shown with optional accessories. Safety Instructions for Kangaroo Rifle Magazine Insert

Introduction

Thank you for choosing the Kangaroo Rifle Magazine Insert from Spiritus Systems. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document thoroughly before using the magazine insert.

General Safety Guidelines

- Ensure that the product is used according to the manufacturer's instructions.
- Always inspect the magazine insert for any signs of damage or wear before use.
- Keep the magazine insert out of reach of children and vulnerable individuals.
- Do not use the product for any purpose other than its intended use.
- In case of any malfunction or safety concern, discontinue use immediately and report it to the appropriate authorities.

Specific Safety Precautions for Use

- Verify that the magazine insert is compatible with your plate carrier before installation.
- Ensure that the magazine depth limiters are correctly positioned to prevent magazines from sliding too far down.
- Avoid overloading the magazine insert beyond its intended capacity.
- When inserting or removing magazines, do so carefully to prevent injury.
- Store the product in a cool, dry place away from direct sunlight and extreme temperatures.

Instructions for Installation and Usage

1. Installation:

- Locate the kangaroo pouch on your plate carrier.
- Align the hard loop side of the magazine insert with the corresponding area in the pouch.
- Press the soft loop side against the opposite side of the pouch to secure the insert in place.
- Ensure that the magazine insert is firmly attached and does not shift during use.

2. Usage:

- To insert a magazine, slide it into the magazine insert until it is fully seated.
- Ensure that the magazine is held securely by the depth limiters.
- To remove a magazine, grasp it firmly and pull it straight out of the insert.
- Always check the magazine's retention before engaging in any activity.

Disposal Instructions

- Dispose of the magazine insert responsibly according to local regulations.
- If the product is damaged beyond repair, consider recycling materials where applicable.
- Do not dispose of the product in household waste if it contains hazardous materials.
