

# LV-119 REAR COVERT PLATE BAG - SPIRITUS SYSTEMS LV-119 REAR COVERT PLATE BAG (X-LARGE) - MULTICAM ARID

[Home](#)

LV/119 Rear Covert Plate Bag The Spiritus Systems LV/119 Rear COVERT Plate bag is a slick no frills solution for those who need to wear hard plates in the lowest profile possible. A 3" tall velcro loop panel is sewn at chest height for IR identifiers, patches or even our jumbo flags. The cummerbund attachment is a proprietary system that allows for the use of all of our cummerbunds as well as allowing for a wide range of adjustment. The cummerbund attaches inside the plate bag, which is advantageous for two reasons: 1. It doesn't have external mounting that can get snagged or rip off when exiting vehicles in haste. 2. It creates a smooth profile when wearing underneath clothing. The LV/119 Plate Carrier System was designed to be a scalable and highly configurable plate carrier platform. The system will offer accessories ranging from Covert Low Visibility Operations, to High Threat Direct Action Raids. We designed the system to be issued in entirety to operators who can then select the desired configuration to meet their mission requirements. All parts and accessories will be interchangeable throughout the series. Plate Fitment The carrier was designed to fit United States Standard Issue SAPI cut plates, but it will fit other cuts as well as long as they fit within the specifications listed below. The bags were built to accommodate "thicker" plates, but they will not fit plates do not fall within the measurements listed. Medium-10" x 12.5" Large- 10.25" x 13.25" Extra Large- 11" x 14.00" Thickness- MAXIMUM of 1.20" NOTE: This is a component of a Spiritus Systems LV/119 Plate Carrier build. To build a COMPLETE plate carrier you will need to select AT LEAST ONE of each of these items: Spiritus Systems Front Plate Bag Spiritus Systems Rear Plate Bag Spiritus Systems Shoulder Covers Spiritus Systems Cummerbund Set Note: This product may be shown with optional accessories. Made in the USA

# Safety Instruction Guide for the LV119 Rear Covert Plate Bag

## Introduction

Thank you for choosing the LV119 Rear Covert Plate Bag by Spiritus Systems. This guide provides essential safety instructions and precautions to ensure the safe use of this product. Please read this document carefully before using the product.

## General Safety Guidelines

- Ensure that the LV119 Rear Covert Plate Bag is used only for its intended purpose.
- Regularly inspect the bag for any signs of wear or damage before each use.
- Do not exceed the maximum plate thickness specified in the product description.
- Keep the product away from children and vulnerable individuals who may not understand its intended use.
- Always follow the manufacturer's instructions for use and maintenance.

## Specific Safety Precautions for Use

- **Plate Fitment:**
  - Ensure that only compatible plates are used. The bag is designed to fit United States Standard Issue SAPI cut plates and other similar cuts, as long as they meet the following specifications:
  - Medium: 10" x 12.5"
  - Large: 10.25" x 13.25"
  - Extra Large: 11" x 14.00"
  - Thickness: Maximum of 1.20"
- **Cummerbund Attachment:**
  - Ensure the cummerbund is securely attached inside the plate bag to prevent it from snagging or ripping off during use.
- **Wearing Under Clothing:**
  - When wearing the bag underneath clothing, ensure that it fits snugly to maintain a smooth profile and avoid discomfort.
- **Emergency Situations:**
  - Be aware of your surroundings when using the plate bag, especially in emergency situations where quick movement is required.

## Instructions for Installation and Usage

### 1. Fitting the Plates:

- Open the LV119 Rear Covert Plate Bag.
- Insert the compatible hard plates into the designated compartments, ensuring they fit snugly.
- Check that the plates are secure and do not shift during movement.

### 2. Attaching the Cummerbund:

- Use the proprietary cummerbund attachment system to connect the cummerbund to the bag.
- Adjust the cummerbund for a comfortable fit while ensuring it provides adequate support.

### 3. Wearing the Bag:

- Put on the bag and adjust the straps as needed for comfort and security.

- Ensure that the bag is positioned correctly on your body for optimal protection.

#### **4. Maintaining the Bag:**

- Regularly clean the exterior of the bag with a damp cloth.
- Inspect the Velcro loop panel and cummerbund for any signs of wear or damage.

## **Disposal Instructions**

- Dispose of the LV119 Rear Covert Plate Bag in accordance with local regulations.
- If the product is damaged beyond use, consider recycling materials where applicable.
- Do not dispose of the product in regular household waste.

## **Contact Information for Further Support**

For any inquiries regarding safety or product information, please refer to the manufacturer's contact details provided with your product packaging.

By following these safety instructions and guidelines, you can ensure the effective and safe use of the LV119 Rear Covert Plate Bag. Thank you for your attention to safety, and we hope you enjoy your product.
