# SENKO Belt Safety Instruction Guide

## Introduction

Thank you for choosing the SENKO Belt. This guide provides essential safety instructions and general guidelines to ensure the safe use of your belt. It is designed to help you understand how to use the product safely and effectively while complying with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the belt is worn correctly to avoid any discomfort or potential injury.
- Regularly inspect the belt for any signs of wear or damage before each use.
- Keep the belt out of reach of children to prevent accidental use or entanglement.
- Do not use the belt for activities that require a high level of safety, such as climbing or heavy lifting.
- Report any unsafe conditions or accidents involving the belt to the appropriate authorities.

## Specific Safety Precautions for Use

- Measure your waist accurately before purchasing to ensure a proper fit:
  - SMALL: 30" 35"
  - MEDIUM: 35" 40"
  - LARGE: 40" 46"
- Do not use the belt if it does not fit properly. A loose or tight belt can cause discomfort or injury.
- Avoid using the belt in wet conditions as it may affect the durability and performance of the webbing.
- Do not overload the belt with excessive weight, as this may compromise its integrity.
- If the belt shows any signs of fraying, tearing, or other damage, discontinue use immediately.

## Instructions for Installation and Usage

### 1. Measuring Your Waist:

- Use a flexible measuring tape to measure around your waist where you plan to wear the belt.
- Ensure the tape is snug but not tight to get an accurate measurement.

### 2. Wearing the Belt:

- Thread the belt through the loops of your pants.
- Adjust the belt to your desired tightness. It should be secure but comfortable.

### 3. Adjusting the Fit:

- If the belt is too loose or too tight, consider adjusting the size based on your waist measurement.
- If you are between sizes, it is recommended to choose the larger size for comfort.

### 4. Removing the Belt:

- To remove the belt, simply unthread it from your pants' loops and store it in a dry place.

## Disposal Instructions

- Dispose of the belt responsibly. If the belt is damaged beyond use, please recycle it if possible.
- Do not burn the belt, as this may release harmful substances.
- Follow local regulations regarding textile disposal and recycling.

## **Contact Information for Further Support**

For any questions or concerns regarding the SENKO Belt, please reach out to the manufacturer or retailer from whom you purchased the product. They will provide you with the necessary support and information.

Thank you for your attention to these safety instructions. Enjoy wearing your SENKO Belt!
