# SENKO Belt Safety Instruction Guide

## Introduction

Thank you for choosing the SENKO Belt by Spiritus Systems. This guide provides important safety instructions and guidelines to ensure the safe use of your new belt. Please read this document carefully before using the product.

## General Safety Guidelines

- Ensure that the belt is used for its intended purpose only.
- Regularly inspect the belt for any signs of wear or damage before each use.
- Keep the belt away from sharp objects or excessive force that may cause it to break.
- If you notice any defects or damage, discontinue use immediately and contact customer support.
- Store the belt in a cool, dry place away from direct sunlight to maintain its integrity.

## Specific Safety Precautions for Use

- Measure your waist accurately to select the correct size. Do not guess your size based on your pants size.
- Small size is suitable for waist measurements of 30"35", Medium for 35"40", and Large for 40"46".
- Ensure the belt is securely fastened before engaging in any activities.
- Avoid using the belt in situations where it could become entangled or caught in machinery.
- Be cautious when wearing the belt with other accessories to prevent discomfort or injury.

## Instructions for Installation and Usage

### 1. Measuring Your Waist:

- Use a flexible measuring tape to measure around your waist where you plan to wear the belt.
- Ensure the tape is snug but not too tight to get an accurate measurement.

### 2. Selecting the Size:

- Based on your waist measurement, select the appropriate size:
  - SMALL = 30"35"
  - MEDIUM = 35"40"
  - LARGE = 40"46"
- If you are at the upper end of a size range, consider choosing the next size up.

### 3. Wearing the Belt:

- Thread the belt through the belt loops of your pants.
- Adjust the belt to fit comfortably around your waist.
- Ensure the Multicam Black Soft Loop Field is positioned correctly for optimal support.

### 4. Securing the Belt:

- If applicable, secure any additional fastening mechanisms to ensure the belt stays in place during use.

### 5. Removing the Belt:

- To remove the belt, simply unfasten any closures and gently pull the belt out of the loops.

## **Disposal Instructions**

- Dispose of the belt responsibly in accordance with local regulations.
- If the belt is damaged beyond repair, consider recycling the materials if possible.
- Do not dispose of the belt in regular household waste if it can be recycled.

## **Contact Information for Further Support**

For questions or concerns regarding the SENKO Belt, please refer to the product packaging or visit the manufacturer's website for customer support options.

Thank you for following these safety instructions. Enjoy your SENKO Belt!
