

SHOULDER COVER, TRIFOLD - SPIRITUS SYSTEMS SHOULDER COVER - TRIFOLD - MULTICAM ARID

[Home](#)

The TRI Fold shoulder cover is a simple solution for covering up your LV/119 shoulder straps. Although these are not built with padding in mind, they do offer some comfort for extended wear. The TRI Fold design makes these easy to take on and off. It also makes routing communication wires easy and simple. SOLD as a PAIR. NOTE: The Shoulder Cover is part of the LV/119 Plate Carrier System. This item does not include a Front Plate Bag, Rear Plate Bag, Cummerbund, Placards, or any other accessories. Additional components are required for proper use. Some images shown with optional accessories, sold separately

SHOULDER COVER, TRIFOLD USER SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Trifold Shoulder Cover by Spiritus Systems. This product is designed to enhance your comfort and functionality while using the LV/119 Plate Carrier System. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

To ensure your safety and the safety of others, please follow these general safety guidelines:

- Always inspect the product for any signs of damage or wear before use.
- Ensure that the Shoulder Cover is compatible with your LV/119 Plate Carrier System.
- Keep the product away from extreme heat, sharp objects, and chemicals that may cause damage.
- Use the product only for its intended purpose.
- Store the Shoulder Cover in a cool, dry place when not in use.
- Regularly check for any recalls or safety updates on the EU Safety Gate platform.

Specific Safety Precautions for Use

When using the Trifold Shoulder Cover, please consider the following precautions:

- Ensure that the Shoulder Cover is securely attached to the shoulder straps before use.
- Avoid pulling or tugging on the Shoulder Cover excessively, as this may lead to damage.
- Be cautious when routing communication wires through the Shoulder Cover to prevent pinching or damage to the wires.
- If you experience any discomfort while wearing the Shoulder Cover, remove it immediately and consult a professional if necessary.
- Keep the Shoulder Cover out of reach of children and vulnerable individuals to prevent misuse.

Instructions for Installation and Usage

Follow these steps for proper installation and usage of the Trifold Shoulder Cover:

1. Installation:

- Unpack the Shoulder Cover and ensure all components are included.
- Align the Shoulder Cover with the LV/119 shoulder straps.
- Slide the Shoulder Cover onto the shoulder straps until fully seated.
- Adjust for a comfortable fit, ensuring it does not obstruct movement.

2. Usage:

- Once installed, check that the Shoulder Cover is secure.
- When routing communication wires, carefully guide them through the designated openings.
- For extended wear, periodically check for comfort and adjust as necessary.

3. Removal:

- To remove the Shoulder Cover, gently slide it off the shoulder straps.
- Store the Shoulder Cover in a safe location when not in use.

Disposal Instructions

When the Trifold Shoulder Cover reaches the end of its life cycle, please dispose of it responsibly:

- Check local regulations for disposal of textile products.
- If the product is damaged, consider recycling options if available.
- Do not dispose of the product in regular household waste if it can be recycled.

Contact Information for Further Support

For any inquiries or concerns regarding the Trifold Shoulder Cover, please refer to the manufacturer's contact information included with your product packaging.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of your Trifold Shoulder Cover. Thank you for your attention to these guidelines, and we hope you enjoy your product.
