

SHOULDER COVER, TRIFOLD - SPIRITUS SYSTEMS SHOULDER COVER - TRIFOLD - MULTICAM TROPIC

[Home](#)

The TRI Fold shoulder cover is a simple solution for covering up your LV/119 shoulder straps. Although these are not built with padding in mind, they do offer some comfort for extended wear. The TRI Fold design makes these easy to take on and off. It also makes routing communication wires easy and simple. SOLD as a PAIR. NOTE: The Shoulder Cover is part of the LV/119 Plate Carrier System. This item does not include a Front Plate Bag, Rear Plate Bag, Cummerbund, Placards, or any other accessories. Additional components are required for proper use. Some images shown with optional accessories, sold separately

SHOULDER COVER, TRIFOLD SPIRITUS SYSTEMS

SHOULDER COVER TRIFOLD MULTICAM TROPIC

Safety Instruction Guide

Introduction

Thank you for choosing the TRI Fold Shoulder Cover by Spiritus Systems. This product is designed to cover your LV/119 shoulder straps, enhancing comfort and functionality. This safety instruction guide provides essential information for the safe use, installation, and disposal of the shoulder cover, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the shoulder cover is used only as intended, specifically for covering LV/119 shoulder straps.
- Regularly inspect the shoulder cover for signs of wear or damage. If any damage is detected, discontinue use immediately.
- Keep the shoulder cover away from sharp objects to prevent tearing or puncturing.
- Do not use the shoulder cover in any manner that could compromise your safety or the safety of others.
- If you experience any discomfort while wearing the shoulder cover, remove it immediately.
- Store the shoulder cover in a cool, dry place away from direct sunlight to maintain its integrity.

Specific Safety Precautions for Use

- The TRI Fold design allows for easy installation and removal. Always ensure the cover is securely attached before use.
- Avoid using the shoulder cover while engaging in activities that require high mobility or could lead to entanglement.
- Keep communication wires properly routed through the designated areas of the shoulder cover to prevent snags or pulls.
- This product is not designed for children. Ensure that it is used only by individuals who can safely wear and manage the equipment.

Instructions for Installation and Usage

1. Installation:

- Remove the shoulder cover from its packaging.
- Align the cover with the LV/119 shoulder straps.
- Slide the cover over the straps, ensuring it fits snugly without excessive force.
- Adjust the cover as necessary to ensure that it does not obstruct movement or comfort.

2. Usage:

- Once installed, ensure that the shoulder cover is properly positioned.
- Route any communication wires through the designated openings to maintain a clean and functional setup.
- Check periodically during use to ensure that the cover remains secure and does not shift.

3. Removing the Shoulder Cover:

- To remove, gently slide the cover off the shoulder straps.
- Store the cover in a safe place to prevent damage.

Disposal Instructions

- Dispose of the shoulder cover in accordance with local regulations.
- If the product is no longer usable, consider recycling it if facilities are available.
- Do not burn the shoulder cover, as it may release harmful substances.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of this product, please refer to the contact details provided by the retailer or manufacturer. Always ensure you have the latest information regarding product recalls or safety updates.

This safety instruction guide is intended to provide you with the necessary information to safely use the TRI Fold Shoulder Cover. By following these guidelines, you can help ensure a safe and effective experience with your product.
