

# BACK PANEL XL ADAPTER - BACK PANEL X LARGE ADAPTOR - BLACK

[Home](#)

Back Panel X Large Adaptor This is a required accessory when mounting a Spiritus Systems Assault back Panel Core to a XL LV/119 Rear Plate Bag. The Back Panel XL Adapter zips in between your back panel and your rear plate bag giving you a perfect fit even with your XL bags. The adapter can also be used with a Size Large Plate bag as well, if you feel that the panel is too tight with your loaded configuration. Two zippers are included, one for each side. You can use just one, or both depending on how much of a load you have in the panel. NOTE: This component is an optional accessory to the Spiritus Systems LV/119 Plate Carrier system. An Assault Back Panel Core is required to complete this Assault Back Panel as well as all other LV/119 plate carrier components. Note: This product may be shown with optional accessories. Made in the USA

# BACK PANEL XL ADAPTER Safety Instruction Guide

## Introduction

Thank you for choosing the BACK PANEL XL ADAPTER. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this manual carefully before installation and usage.

## General Safety Guidelines

- Ensure that the BACK PANEL XL ADAPTER is compatible with your Spiritus Systems Assault Back Panel Core and XL LV/119 Rear Plate Bag.
- Always inspect the adapter for any signs of damage before each use.
- Do not use the adapter if it shows signs of wear or damage.
- Keep the adapter away from children and vulnerable individuals when not in use.
- Follow all installation and usage instructions to avoid potential hazards.

## Specific Safety Precautions for Use

- Ensure the zippers are fully secured before use to prevent accidental detachment.
- Do not overload the back panel beyond its intended capacity to maintain stability and comfort.
- Be cautious when adjusting the adapter while wearing the back panel to avoid pinching or injury.
- Regularly check the attachment points for wear and ensure they are secure before engaging in activities.
- If using with a Size Large Plate Bag, ensure the fit is comfortable and does not restrict movement.

## Instructions for Installation and Usage

### 1. Installation:

- Lay the BACK PANEL XL ADAPTER flat and identify the zippers on both sides.
- Align the adapter with the back panel and rear plate bag, ensuring the zippers are facing outward.
- Zip the adapter securely between the back panel and the rear plate bag on both sides. If you prefer, you may use only one zipper depending on your load.
- Ensure that the adapter is tightly secured and there are no gaps.

### 2. Usage:

- Once installed, check the overall fit of the back panel and ensure it is comfortable.
- Adjust the positioning as needed to ensure optimal load distribution.
- Test the stability of the setup before engaging in any physical activity.

## Disposal Instructions

- Dispose of the BACK PANEL XL ADAPTER in accordance with local waste disposal regulations.
- Do not incinerate, as this may release harmful substances.
- If the product is damaged or no longer in use, consider recycling options where available.

## Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the contact information provided by your retailer or manufacturer. Ensure you have your product details handy for reference.

Please ensure you follow all safety instructions to maximize the effectiveness and safety of your BACK PANEL XL

ADAPTER. Thank you for your attention to safety and compliance with these guidelines.
