Rifle Magazine Insert – Double HK 417 The Spiritus Systems Micro Fight Magazine Insert is a custom solution to a common problem. Instead of using pull tabs, Velcro, snap flaps, or a hard Kydex insert; we have chosen to use something a little more versatile. Using elastic is very quiet when removing or adding magazines, giving you quick and easy access to your magazines while providing excellent retention. Elastic will not deform due to heat over time and although it will loosen some with use, it will still provide excellent retention of your magazines. The magazine insert is retained by hard loop Velcro sewn to both sides. This allows for the insert to fit in the front and rear pockets of the Micro Fight Chassis (MK3 and Mk4). This is a critical component of the Micro Fight Chest Rig System. You can place an insert in both the front and rear pocket of your Micro Fight Chest Rig Mk 4 NOTE: The Magazine Insert is part of the Micro Fight Chest Rig System. This item does not include the Micro Fight Mk 4 Chassis, Shoulder Strap, Back Strap, magazine inserts, or any other accessories. Note: This product may be shown with optional accessories. # Rifle Magazine Insert Double HK 417 Safety Instruction Guide

## Introduction

Thank you for choosing the Spiritus Systems Rifle Magazine Insert Double HK 417. This product is designed to provide a secure and versatile solution for carrying your rifle magazines. To ensure your safety and the proper use of this product, please read and follow the guidelines outlined in this instruction guide.

## General Safety Guidelines

- Always inspect the magazine insert before use to ensure it is in good condition.
- Do not use the magazine insert if it shows signs of damage or wear.
- Keep the magazine insert away from children and vulnerable individuals.
- Store the magazine insert in a cool, dry place away from direct sunlight and heat sources.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the magazine insert is securely attached to the Micro Fight Chest Rig before use.
- Avoid overloading the magazine insert with more magazines than it is designed to hold.
- Be cautious when removing or adding magazines to avoid pinching fingers or causing injury.
- Do not use the magazine insert for any purpose other than its intended use.
- If you experience difficulty with the magazine insert, stop using it and seek assistance.

## Instructions for Installation and Usage

### 1. Installation:

- Locate the hard loop Velcro on both sides of the magazine insert.
- Align the magazine insert with the front or rear pocket of the Micro Fight Chassis (MK3 or MK4).
- Press firmly to secure the Velcro and ensure the insert is properly attached.

### 2. Usage:

- To insert a magazine, gently stretch the elastic and slide the magazine into the insert.
- To remove a magazine, pull gently on the magazine while holding the insert in place.
- Ensure that the magazine is seated properly within the elastic for optimal retention.

## Disposal Instructions

- Dispose of the magazine insert in accordance with local regulations.
- Do not dispose of the magazine insert in regular household waste if it is damaged or contains hazardous materials.
- Consider recycling options if available.
