

WONTONS - SPIRITUS SYSTEMS MEDIUM WONTON - MULTICAM

[Shooting Accessories](#) > [Tactical Gear](#) > [Accessories](#)

Wontons The WONTON is the first product that Spiritus Systems has developed under their "Vehicle/Mobility" product segment. Mobility and organization is key to successful planning and execution of both Tactical Military Operations as well as Adventuring. The Wontons were developed specifically to organize all of your things. Design The WONTONS are built with a mesh material which keeps them lightweight and allows items to rapidly dry. The bags were not meant to be waterproof, there were built to organize items within larger deployment profiles such as vehicles or kit bags. The diagonal zipper allows the pouch to be opened up while remaining relatively flat and easy to access. A single 3/4" webbing loop is provided so the user can hang the pouch with a carabiner and to assist with zipping and unzipping the pouch. Two Zipper pulls are provided for redundancy, even if one fails, you can always zip it closed with the other. These things will last a lifetime. Use Case WONTONS were designed to organize your life. They can be used to organize vehicle kit or deployment kit bags. Their uses are almost endless. S M A L L - (6" W x 12" L) Small WONTONS work well for stowing smaller items such as batteries, cables or other small sensitive equipment. They fit well in places like the door pockets of vehicles and in day packs or carry on luggage. M E D I U M - (12" W x 12" L) Medium WONTONS work well for securing items like clothing or climbing equipment. Medium WONTONS are the go to for organizing duffle bags and tote boxes with all of your deployable kit. L A R G E - (16" W x 16" L) Large WONTONS handle lofty or oversized items well. Everything from high loft jackets to vehicle recovery equipment fit well inside these pouches. Note: This product may be shown with optional accessories. Made in the USA

WONTONS SPIRITUS SYSTEMS MEDIUM WONTON MULTICAM Safety Instruction Guide

Introduction

Thank you for choosing the WONTONS SPIRITUS SYSTEMS MEDIUM WONTON. This product is designed to help you organize your gear effectively while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Ensure that the WONTONS are used only for their intended purpose of organizing items.
- Always inspect the product for any damage before use. Do not use if the product shows signs of wear or damage.
- Keep the WONTONS out of reach of small children to prevent any risk of choking or suffocation.
- Avoid overloading the WONTONS beyond their capacity to prevent tearing or zipping issues.
- Use the product only in dry conditions; while the mesh material allows for rapid drying, it is not waterproof.

Specific Safety Precautions for Use

- **Age Consideration:** This product is not designed for children under the age of 12. Adult supervision is recommended when used around younger individuals.
- **Weight Limit:** Do not exceed the recommended weight limit for the size of the WONTONS being used. Refer to the specifications below:
 - Small WONTONS: Ideal for lightweight items (e.g., batteries, cables).
 - Medium WONTONS: Suitable for mediumweight items (e.g., clothing, climbing equipment).
 - Large WONTONS: Designed for heavier items (e.g., jackets, recovery equipment).
- **Zipper Use:** Always ensure that the zipper is fully closed before lifting or carrying the pouch to prevent items from falling out.
- **Hanging Use:** If using the webbing loop to hang the pouch, ensure that it is securely attached and can support the weight of the contents.

Instructions for Installation and Usage

1. Filling the WONTONS:

- Open the zipper fully to access the interior of the pouch.
- Place items inside, ensuring they are packed securely and do not exceed the pouch's capacity.
- Close the zipper carefully, ensuring it is aligned properly to avoid snagging.

2. Hanging the WONTONS:

- Use the provided webbing loop to attach a carabiner or similar device.
- Ensure the attachment point is secure and can support the weight of the pouch.

3. Storage:

- When not in use, store the WONTONS in a cool, dry place to maintain the integrity of the materials.
- Avoid exposing the product to extreme temperatures or direct sunlight for extended periods.

Disposal Instructions

- Dispose of the WONTONS responsibly at the end of their life cycle.
- Check local regulations for the proper disposal of textile products.
- If the product is damaged beyond use, consider recycling the materials where possible.

Contact Information for Further Support

For any safety inquiries or product issues, please contact the manufacturer directly. Ensure you have the product details handy for a more efficient support experience.

By following these safety guidelines and instructions, you can ensure a safe and effective use of your WONTONS SPIRITUS SYSTEMS MEDIUM WONTON. Thank you for your attention to safety, and enjoy your organized adventures!
