

# WONTONS - SPIRITUS SYSTEMS SMALL WONTON - MULTICAM

[Shooting Accessories](#) > [Tactical Gear](#) > [Accessories](#)

Wontons The WONTON is the first product that Spiritus Systems has developed under their "Vehicle/Mobility" product segment. Mobility and organization is key to successful planning and execution of both Tactical Military Operations as well as Adventuring. The Wontons were developed specifically to organize all of your things. Design The WONTONS are built with a mesh material which keeps them lightweight and allows items to rapidly dry. The bags were not meant to be waterproof, there were built to organize items within larger deployment profiles such as vehicles or kit bags. The diagonal zipper allows the pouch to be opened up while remaining relatively flat and easy to access. A single 3/4" webbing loop is provided so the user can hang the pouch with a carabiner and to assist with zipping and unzipping the pouch. Two Zipper pulls are provided for redundancy, even if one fails, you can always zip it closed with the other. These things will last a lifetime. Use Case WONTONS were designed to organize your life. They can be used to organize vehicle kit or deployment kit bags. Their uses are almost endless. S M A L L - (6" W x 12" L) Small WONTONS work well for stowing smaller items such as batteries, cables or other small sensitive equipment. They fit well in places like the door pockets of vehicles and in day packs or carry on luggage. M E D I U M - (12" W x 12" L) Medium WONTONS work well for securing items like clothing or climbing equipment. Medium WONTONS are the go to for organizing duffle bags and tote boxes with all of your deployable kit. L A R G E - (16" W x 16" L) Large WONTONS handle lofty or oversized items well. Everything from high loft jackets to vehicle recovery equipment fit well inside these pouches. Note: This product may be shown with optional accessories. Made in the USA

## Attributes

- Name: [SPIRITUS SYSTEMS SMALL WONTON - MULTICAM](#)
- Manufacturer: [SPIRITUS SYSTEMS](#)
- Product no.: 430101880

# WONTONS SPIRITUS SYSTEMS SMALL WONTON MULTICAM Safety Instruction Guide

## Introduction

Thank you for choosing the WONTONS SPIRITUS SYSTEMS SMALL WONTON MULTICAM. This guide provides essential safety instructions to ensure the safe use and maintenance of your product. Please read this guide carefully before using the WONTONS to understand the safety precautions and how to use them effectively.

## General Safety Guidelines

- **Product Safety:** Ensure the WONTONS are used only for their intended purpose. This product is designed for organizing items and should not be used for any other applications that may pose a safety risk.
- **Enhanced Recalls:** Regularly check for any recall notices regarding this product. If a recall occurs, follow the instructions provided for returning the product or obtaining a remedy.
- **Online Shopping:** If purchased online, ensure that the seller complies with all safety requirements. Verify the product's authenticity and safety compliance.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of children to prevent any potential hazards.
- **EU Contact Point:** For any safety inquiries, please refer to the relevant EU contact point for guidance and assistance.
- **Rapid Alerts:** Stay informed about any updates on unsafe products through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Avoid Overloading:** Do not exceed the recommended weight limits for the WONTONS. Overloading may cause damage to the product or result in accidents.
- **Check for Damage:** Before each use, inspect the WONTONS for any signs of wear or damage. Do not use if any part is compromised.
- **Proper Handling:** Use the provided webbing loop and zipper pulls as intended. Avoid using sharp objects to open or close the zippers.
- **Moisture Management:** Although the WONTONS are made with mesh material, they are not waterproof. Ensure items stored inside are not susceptible to moisture damage.
- **Secure Storage:** When not in use, store the WONTONS in a dry place away from direct sunlight and extreme temperatures.

## Instructions for Installation and Usage

### • Using the WONTONS:

1. **Opening the Pouch:** Use the diagonal zipper to open the pouch. Ensure the zipper is fully unzipped to access the contents easily.
2. **Organizing Items:** Place smaller items such as batteries, cables, or sensitive equipment into the SMALL WONTONS. For larger items, use MEDIUM or LARGE WONTONS as appropriate.
3. **Hanging the Pouch:** Utilize the 3/4" webbing loop to hang the pouch using a carabiner. Ensure it is securely attached to prevent accidental falls.
4. **Zipping the Pouch:** After organizing your items, zip the pouch closed using the zipper pulls. Ensure both pulls are functioning properly for redundancy.

### • Cleaning and Maintenance:

- Gently wipe the exterior of the WONTONS with a damp cloth to remove any dirt or debris.
- Allow the pouch to air dry completely before storing it to prevent mold or mildew.

## Disposal Instructions

- **Recycling:** When the WONTONS reach the end of their life cycle, please recycle the materials if possible. Check local recycling guidelines for proper disposal methods.
- **NonRecyclable Waste:** If the product cannot be recycled, dispose of it in accordance with local waste management regulations.

## Contact Information for Further Support

For any questions or concerns regarding the WONTONS SPIRITUS SYSTEMS SMALL WONTON MULTICAM, please refer to the appropriate consumer support resources provided by the manufacturer or retailer.

Thank you for your attention to these safety instructions. Enjoy your experience with the WONTONS!
