

# LV-119 REAR COVERT PLATE BAG - SPIRITUS SYSTEMS LV-119 REAR COVERT PLATE BAG (LARGE) - BLACK

[Home](#)

LV/119 Rear Covert Plate Bag The Spiritus Systems LV/119 Rear COVERT Plate bag is a slick no frills solution for those who need to wear hard plates in the lowest profile possible. A 3" tall velcro loop panel is sewn at chest height for IR identifiers, patches or even our jumbo flags. The cummerbund attachment is a proprietary system that allows for the use of all of our cummerbunds as well as allowing for a wide range of adjustment. The cummerbund attaches inside the plate bag, which is advantageous for two reasons: 1. It doesn't have external mounting that can get snagged or rip off when exiting vehicles in haste. 2. It creates a smooth profile when wearing underneath clothing. The LV/119 Plate Carrier System was designed to be a scalable and highly configurable plate carrier platform. The system will offer accessories ranging from Covert Low Visibility Operations, to High Threat Direct Action Raids. We designed the system to be issued in entirety to operators who can then select the desired configuration to meet their mission requirements. All parts and accessories will be interchangeable throughout the series. Plate Fitment The carrier was designed to fit United States Standard Issue SAPI cut plates, but it will fit other cuts as well as long as they fit within the specifications listed below. The bags were built to accommodate "thicker" plates, but they will not fit plates do not fall within the measurements listed. Medium-10" x 12.5" Large- 10.25" x 13.25" Extra Large- 11" x 14.00" Thickness- MAXIMUM of 1.20" NOTE: This is a component of a Spiritus Systems LV/119 Plate Carrier build. To build a COMPLETE plate carrier you will need to select AT LEAST ONE of each of these items: Spiritus Systems Front Plate Bag Spiritus Systems Rear Plate Bag Spiritus Systems Shoulder Covers Spiritus Systems Cummerbund Set Note: This product may be shown with optional accessories. Made in the USA

# LV119 Rear Covert Plate Bag Safety Instruction Guide

## Introduction

Thank you for choosing the LV119 Rear Covert Plate Bag by Spiritus Systems. This product is designed to provide a lowprofile solution for carrying hard plates while ensuring safety and comfort. Please read this safety instruction guide carefully to ensure proper use and maintenance of your plate bag.

## General Safety Guidelines

- Always inspect the product before each use for any signs of wear or damage.
- Ensure that all components are correctly assembled and securely attached.
- Use the plate bag only for its intended purpose. Do not exceed the specified weight limits.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform for any productrelated safety information.

## Specific Safety Precautions for Use

- **Plate Fitment:** Ensure that the plates used fit within the specified dimensions:
  - Medium: 10" x 12.5"
  - Large: 10.25" x 13.25"
  - Extra Large: 11" x 14.00"
  - Thickness: Maximum of 1.20"
- **Cummerbund Attachment:** Ensure that the cummerbund is properly attached inside the plate bag to avoid snagging or ripping during use.
- **Wearing Under Clothing:** When wearing the plate bag under clothing, ensure that it is adjusted properly to maintain a smooth profile and avoid discomfort.
- **Emergency Situations:** In case of emergencies, be aware of how to quickly remove the plate bag if necessary.

## Instructions for Installation and Usage

### 1. Assemble the Plate Bag:

- Open the plate bag and insert the hard plates according to the fitment specifications.
- Ensure that the plates are secured and do not move within the bag.

### 2. Attach the Cummerbund:

- Use the proprietary attachment system to connect the cummerbund inside the plate bag.
- Adjust the cummerbund for a secure fit, ensuring it does not obstruct movement.

### 3. Adjust for Comfort:

- Adjust the shoulder straps and cummerbund to fit snugly but comfortably.
- Make sure the plate bag does not shift during movement.

### 4. Safety Checks:

- Before each use, perform a safety check to ensure all components are secure and functioning correctly.

## **Disposal Instructions**

- Dispose of the product in accordance with local waste management regulations.
- If the product is damaged or no longer usable, consider recycling components where possible.
- Do not dispose of the product in regular household waste if it contains materials that require special handling.

## **Contact Information for Further Support**

For any questions or concerns regarding the LV119 Rear Covert Plate Bag, please refer to the manufacturer's contact information provided with the product packaging or visit the official website for assistance.

Thank you for your attention to these safety guidelines. Your safety is our priority.
