

# 6.5-300 WEATHERBY MAGNUM BRASS - PETERSON CARTRIDGE

## 6.5-300 WEATHERBY MAGNUM BRASS CASE 50/BOX

[Reloading](#) > [Brass](#) > [Rifle Brass](#)

Features The belt is different than the belt of other belted magnums. Producing the double radius shoulder proved to be a real brain teaser. And most of the tolerances are half of those of other belted magnums.

# Safety Instruction Guide for 6.5300 Weatherby Magnum Brass Peterson Cartridge

## Introduction

Thank you for choosing the 6.5300 Weatherby Magnum Brass Peterson Cartridge. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this guide carefully before using the cartridge.

## General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm before using this cartridge.
- Always handle ammunition with care and store it in a safe place, away from children and unauthorized users.
- Inspect cartridges for any signs of damage before use. Do not use damaged cartridges.
- Only use this cartridge with firearms that are specifically designed for the 6.5300 Weatherby Magnum caliber.
- Follow all local laws and regulations regarding the use and storage of ammunition.
- In case of any doubts regarding the safety of this product, consult a qualified firearms expert.

## Specific Safety Precautions for Use

- Do not exceed the recommended load limits for your firearm.
- Always wear appropriate eye and ear protection when firing.
- Keep your firearm pointed in a safe direction at all times.
- Never attempt to disassemble or modify the cartridge.
- If a cartridge fails to fire, wait at least 30 seconds before attempting to remove it from the chamber.
- Be aware of your surroundings and ensure that you have a clear and safe shooting area.

## Instructions for Installation and Usage

- Before using the cartridge, ensure that your firearm is clean and in good working condition.
- Load the cartridge into the magazine or chamber according to the manufacturer's instructions for your specific firearm.
- When ready to fire, ensure that the firearm is pointed downrange and that the area is clear of people and obstacles.
- Fire the cartridge by following the standard operating procedures for your firearm.
- After firing, check the firearm for proper function and inspect the spent cartridge case for any signs of damage.

## Disposal Instructions

- Dispose of spent cartridges and packaging materials responsibly.
- Follow local regulations for the disposal of ammunition and hazardous materials.
- Never throw cartridges in regular trash. Contact local waste management authorities for proper disposal methods.

## Contact Information for Further Support

For any inquiries or concerns regarding the safety of this product, please contact the manufacturer or your local firearms expert.

## **Conclusion**

Your safety is paramount when using the 6.5300 Weatherby Magnum Brass Peterson Cartridge. By following these guidelines, you can ensure a safe and enjoyable shooting experience. Always prioritize safety and responsible use of firearms and ammunition.
